

ONGOING MAINTANENCE

St Anne's needs ongoing maintenance like any campus. In the not too distant future our buildings need upgrades to their HVAC, Interior/Exterior Surfaces, , Septic, Lighting, and Sound systems.

We need
your
BEST IDEAS!

St Anne's Parish History

Founded more than 130 years ago, St Anne's has served the Southborough community well. The campus has changed over the years after a fire in 1936, the construction of a Parish Hall in the 1950's, the addition of some neighboring properties and ongoing maintenance across that time.

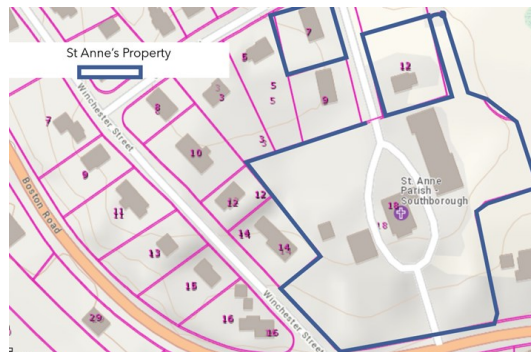

It is time to look at the future and we need your help defining what our parish needs are now, five, and twenty years into the future.

June 2020

ST. ANNE'S CAMPUS PLANNING COMMITTEE...

... was formed in January, 2020 at Father Albert's request. The Goal - work with the Parish Community to develop a long range—high level plan for the St Anne's Campus. The plan should gather the community's view of what the parish needs today and into the future to serve our spiritual and communal missions and how the buildings can improve each.

St Anne's has five buildings situated on four acres. Several need maintenance... others can be enhanced to better serve us all.

NEEDS SURVEY NEEDS YOU!

The Campus Planning Committee has developed a Needs Assessment Survey. We ask you, and everyone you know who cares, to tell us how to strengthen our Parish by improving our buildings and grounds.

Please review our list of potential enhancements ranking each as Essential, Important, Nice to Have, or Inappropriate. There are blank lines for what we've missed. The survey is broken out by building and grounds. We'll compile the results and let you know what we learn. Once complete, please return the survey by mail, email

(Campusplanning@stannesouthborough.org), OR drop it off at the Parish Office.

Please find below an exhaustive list of enhancements we could invest in at St Anne's Parish to improve our campus for 2050

Enhancements by Structure	Please indicate as follows: Essential - Important - Nice to Have - Inappropriate			
	Essential	Important	Nice to Have	Inappropriate
Church				
More Pews				
Bathrooms				
Parlor				
Chapel				
Confessional				
Classrooms				
Air Conditioning
