

News from Immaculate Conception School

December 10, 2020

The prophet said: "A voice of one crying out in the desert: 'Prepare the way of the Lord, make straight his paths.'" (Mark 1:3)

Thank you!

Thank you for supporting our Share-A-Christmas toy and food drive. Immaculate Conception School and parish donated about 500 toys and books for distribution to local families in need this Christmas season and we sent a car load of food to the Twin City Christian Center Food Pantry.

Thank you for supporting our PTA fund-raising projects including the recent pie sale. During a very difficult year, the PTA continues to support our students and staff through the Santa Shop, technology purchases, gifts for students and staff, and much more.

Thank you for your cooperation and support as we continue to implement our coronavirus safety precautions. Your help and understanding are making it possible for us to offer in-person classes five days a week while also providing the option for distance learning.

We will continue our support of the Share-A-Christmas project by conducting a dress-down day on Wednesday, December 16. All proceeds will be donated to Share-A-Christmas for food and clothing.

December 18 is the final day of the second grading period and last day of classes before our Christmas break. Classes will resume January 4 and report cards will be published at the end of that week. **There will be no After School Care Friday, December 18.**

We are posting weekly Advent prayer services on Facebook, Digital Academy, and our www.icsdennison.org. Please take a few minutes each week to watch the prayer services as a family.

We are unable to have our usual live Christmas show this year, but we will be recording a very special Christmas program that will be presented on-line. More details coming soon!

Saturday is the Feast of Our Lady of Guadalupe. The Diocese of Columbus will broadcast a special program from 10:00 am to Noon Saturday. Visit www.columbuscatholic.org for more information.

Did you know? Nationally, more than 99% of the seniors in Catholic high schools graduate from high school and more than 85% of the students who graduate from Catholic High Schools nationwide go on to four-year colleges. Both percentages are far higher than the averages for other schools.

Immaculate Conception School

The mission of Immaculate Conception School is to continue the tradition of providing a challenging academic program integrated with Catholic teaching, empowering students to nurture their God-given abilities to follow Jesus' example of prayer, faith, service, and love.
