

News from Immaculate Conception School

March 18, 2021

Faith is to believe what you do not see; the reward of this faith is to see what you believe.
St. Augustine

We distribute report cards and conduct/effort reports to the students tomorrow, Friday. Reports will be published to parents this evening in Digital Academy. A new Conduct and Effort Report is replacing the life skill report. This behavior report provides feedback in a wide-range of expectations for student behavior.

The annual statewide tornado drill is scheduled for Wednesday at 9:50. We will participate in the annual drill.

Our second-grade students will receive First Reconciliation this Sunday. Please keep the students in your prayers. The Immaculate Conception Church First Communion Mass will be held on Sunday, May 2.

One of our goals this year is to continue to help our students and families deepen our understanding of the Theological Virtues of Faith, Hope and Love. In the last few weeks, we have been concentrating on the virtue of Faith, defined as a gift to know and believe in God. In coming weeks you will see projects and assignments about the virtue of Hope.

If you have not done so already, please log in to your Digital Academy account to register for the 2021-22 school year. And please let your friends know that we are now accepting applications for new students in all grade levels from pre-school through sixth grade!

Coming up:

Last week in April – Tuscarawas County Catholic Schools Arts Week, a series of video presentations featuring the artistic talents of our students.

- May 2 – IC First Communion
- May 11 – May crowning
- May 24 – Sixth grade award breakfast
- May 25 and 26 – Field Day
- May 27 – talent show

Immaculate Conception School

The mission of Immaculate Conception School is to continue the tradition of providing a challenging academic program integrated with Catholic teaching, empowering students to nurture their God-given abilities to follow Jesus' example of prayer, faith, service, and love.
