We are continuing to work this year to help our students and families deepen our understanding of the Theological Virtues of Faith, Hope and Love. We are now concentrating on the virtue of Hope, the gift to trust in God's promise of eternal life.

We are sending home a packet of raffle tickets for the Immaculate Conception Festival drawing to be held in July. Your support of the raffle is appreciated. The raffle is key part of the festival that provides financial support to the parish and school. Thank you!

Now is the time to file applications for 2021-22 tuition assistance. Your first option is the EdChoice Scholarship. The income guidelines have expanded this year. For example, a family of four with a family income of \$66,250 or less would qualify for the scholarship that pays the entire cost of tuition. Applications should be returned to the school office as soon as possible. If you don't qualify for the EdChoice Scholarship, please apply for a local school/church scholarship through your FACTS account. All applications will be considered.

If you have not done so already, please log in to your Digital Academy account to register for the 2021-22 school year. And please let your friends know that we are now accepting applications for new students in all grade levels from pre-school through sixth grade!

We will have a dress down day on Friday, April 23 to support the Immaculate Conception Altar Society. Funds will be used to help the Altar Society with projects benefiting area people in need. Thank you for your support!

Watch for a series of videos on Facebook at the webpage later this month celebrating the arts in the Tuscarawas County Catholic Schools. The virtual Arts Week will feature the work of students from all three of our schools.
