## What is Family Camp?

The Metropolis of Atlanta Philoptochos is excited to offer our second family camp for special needs focusing on Autism. We are providing a faith based camp helping children with Autism grow in their relationship with God. We will have a 1:1 ratio of trained counselors for each special needs child. Families will stay in cabins and experience all that our beautiful retreat center has to offer: recreation, art programs, special parent seminars, bonding opportunities with other families, and spiritual nourishment.

This is our second Special Needs Camp and we are limiting the session to 10 families to accommodate the physical, social/emotional, spiritual and dietary needs of all.
