2020 REGIONAL COMMANDER'S REPORT **FLORIDA DISTRICT 11B**

Prepared and Submitted by:
John C. Scurtis, Regional Commander
Archon Hartoularios

An “All Florida Archon Retreat” was held on January 18 thru 20, 2020 in Naples, Florida at Saint Katherine Greek Orthodox Church. The retreat was coordinated by the “Christian Rights and Freedom Institute” and Archons of Florida.

Speakers were Dr. George Demacopoulos, Professor of Orthodox Christian Studies at Fordham University and Lauren Green, FOX News Chief Religion Correspondent.

This was a most informative and inspiring presentation focusing on the mission of the Archons, Religious Freedom. The lectures were free to all. The Cultural Hall was full to capacity with parishioners, friends and Archons from near and far in attendance.

We were honored to have Regional Commanders’ Liaison Chairman Dr. Nicholas Loutsion, Archon Aktouarios join us for all events centered around the presentation which included the traditional Vasilopita Celebration and Sunday Luncheon.

A most grateful thank you and appreciation to the dedicated committee and coordinating chair, Archon Dr. Harry Dimopoulos, Archon Chartophylax for this wonderful event.

We pray for all the world during this most unsettling time and especially those who have been affected by the Corona-19 Virus Pandemic.

Respectfully submitted,

John C. Scurtis
Archon Hartoularios
