Message from Our Pastor

Dear friends in Christ,

Peace be with you. The time has come for us to choose new members for the Pastoral Council here at Sts. Cyril and Methodius. Attached to this bulletin is an explanation of the process and the nomination form. Please prayerfully consider who you would like to serve on the Pastoral Council and submit their names by Tuesday, March 18.

Thank you to all of you for your cards and gifts that you gave me for my birthday which was on February 23. It is truly a blessing to be here at Sts. Cyril and Methodius and Holy Trinity. I appreciate your kindness to me.

Ash Wednesday is this Wednesday, March 5, the Season of Lent will begin. During this week it would be good to prayerfully consider what you are going to do during Lent. Many people give up something, such as sweets, sodas, beer, or smoking. This is a good practice as you make a little sacrifice to remind you of the big sacrifice Jesus made for you on the cross. It is also good to do something extra, like attending the Stations of the Cross on Wednesday or Friday when scheduled for each parish. Also it is good to read more from the Bible or begin attending Mass during the weekdays when possible and, of course, being faithful to going to Mass every week on the weekend. You may also consider visiting the homebound more often or doing more acts of charity for others. These help you to grow in your spiritual life and in your relationship to God and to one another. Also, don't forget not to eat meat on Fridays during Lent and also on Ash Wednesday. See this bulletin for the Mass schedule at both parishes for Ash Wednesday.

In today's Gospel Jesus tells us "No one can serve two masters." Many people of Jesus' day were full of worry. They worried about day-to-day living. The Romans taxed them excessively, they had corrupt civil and religious leaders, they wondered how they were to feed their families. Jesus is warning the people that misplaced priorities led to the living a worrisome life and led them away from having faith and trust in God. We also worry too much. Most of the priorities of the people of the world are in the wrong place. Where is our faith and trust in God? I hear many people complain about God but yet these same people never give God a minute of their time. They very seldom pray, they go to Mass only when they feel like it or they don't go at all. They only worry about making enough money to satisfy their desires. They don't trust in God and their faith is lacking. They use contraception in order to avoid pregnancy because they do not believe God will help provide for their needs. They only put trust in themselves even though they quickly realize that it also is not sufficient. Look at the world today, it is full of greed and selfishness. The more greedy and selfish people are, the worse things are getting. We need to pray more and devote ourselves to the One, True God and be faithful to Him. In this way we are only serving one Master and He in return takes care of us who have faith in Him.
