30th Sunday in Ordinary Time Today's Gospel is the famous parable of the Pharisee and Publican. What the Pharisee could not see and the Publican could was that all goodness and all grace come from God! The Publican in humility called out for God's mercy while the Pharisee thought that his good actions justified him before God. The good we do is God's grace working in us and we do it with humility and gratitude for God's love. What good works can you do this week that will give witness to God's grace and love and mercy in your life?
