## Third Sunday of Lent

We experience at the depth of our being a deep hunger and thirst for the living God. We are invited to know that need, but not to despair as our ancestors did in the desert. God does feed and nourish us. God does quench our thirst, if we let ourselves be open to God's transforming love. Like the Samaritan woman we are called to be open to the waters of life given to us in Christ. Like her we are called to be agents of God's transformative love in our world. Who in our lives needs us to be an agent of God's love for them? What in our world is in need of God's action and transformation?
