Catholic Social Teaching Corner - 14th Sunday in Ordinary Time : Today's Gospel records that Jesus was not believed or welcomed and this lack of faith was so distressing that he could work no miracles there except for a few healings. We might wonder about the skepticism and doubt of those contemporaries of Jesus, but that attitude might keep us from recognizing that we can be just as close-minded and skeptical. We are invited this Sunday to humbly examine our own attitudes toward the poor, immigrants, and the unborn; toward church teaching on economic justice, the environment and family life. Have we hardened our hearts to God's voice and presence like those of old?
