Blessed Sacrament School Tuition Policy and Contract

Grade 8

Tuition Policy: Tuition costs are set yearly. Because the school has full-year contractual and financial obligations that must be met, such as teacher salaries, heating and electric bills, building maintenance and improvements, and other expenses, families that accept enrollment are required to satisfy the full annual tuition in a timely manner, as described in the School's Tuition Contract. All families with children attending the School are required to have a tuition contract on file ("Agreement") which is signed by the child's parents/guardians. If the parents/guardians are relying upon another individual to make payment or partial payment of the tuition, the parent/guardian is required to also have that individual sign this agreement.

This annual published tuition amount may include certain related fees. The tuition amount does not include incidental fees, such as club and activity fees, lunch fees, fundraising or fees for before or after school care.

Blessed Sacrament School uses the FACTS Tuition Management System. There are no in-house accounts or billings for tuition. All tuition billings will be handled by the FACTS Tuition Management System.

General Tuition Conditions and Agreements:

- Students may not attend classes until all tuition forms are received and verified by the school.
- All prior years' tuitions and fees must be paid in full before an official class schedule will be prepared for the student.
- August tuition payment must be paid in full before the student will be admitted to class.
- Missed payments must be made within 14 days in order for the student to continue in classes.
- In the event of unusual or extenuating circumstances, parents/guardians must request a face-to-face conference with the head of school. No arrangements will be discussed over the phone.

Late and Missed Tuition Payments:

- If parents/guardians sign up for automatic withdrawal (ACH) and miss a payment due to insufficient funds, they will be automatically charged a \$30.00 fee by FACTS Tuition Management and may incur a similar charge from their banking institution.
- All missed payments must be caught up and paid within 14 days.

Tuition Delinquency:

If parents/guardians do not remit tuition payments as described above, they will be considered delinquent and are subject to interest, late fees, and penalties. While a serious and charitable effort may be made to collect tuition, the school may use any legal means necessary to remedy tuition delinquencies, including using a third-party collection agency. All fees or costs incurred in collecting amounts owed may be included in the balance due.

Families with delinquent tuition balances during a school year also are subject to the following:

- Students with accounts more than 14 days in arrears will not be allowed to attend classes until the payment is received.
- Students missing more than 15 days of class due to overdue tuition may be asked to formally withdraw from school and official transfer papers will be processed.
- Students may not be permitted to take semester or final exams until all tuition and fee obligations have been cleared.
- Graduating students may not be permitted to participate in graduation ceremonies or activities until all tuition and fee obligations have been cleared.

- However, when a student (or the school to which he or she has transferred) requests a transcript of his or her school record, the transcript may not be denied on the grounds that the student has not paid his or her tuition.

Tuition Obligation Upon Withdrawal

If a family decides to withdraw its student from the school, the following schedule shows its financial obligation to the school:

Withdrawal on or before this date:	Family must pay this portion of annual tuition:
September 30	25%
October 31	50%
January 31	75%
On or After Feb. 1	100%

The withdrawal process begins by notifying the Principal's Office. The withdrawal date in the above schedule is the official withdrawal date as recorded by the Principal's Office. If the family paid a greater amount of tuition than the amount required in the above schedule as of the withdraw date, the balance will be refunded to the parent.

Note that, regardless of when or why a student withdraws or is required to withdraw:

- Registration and other incidental fees are non-refundable and will not be returned; and
- The student may not return to the school, or transfer to any other Catholic school, until any and all prior tuition obligations for all school years have been met.

Dismissal

If at any time the School determines, in its sole discretion, that it cannot successfully provide a student a Catholic education or that allowing a student to continue his or her education at the school would hinder the School's mission or operation, regardless of whether it is because of the student's conduct, his or her parent's/guardian's conduct or any other outside circumstances, the School may require the parents/guardians to withdraw the student. In such an instance, any tuition or enrollment fees paid in advance will be refunded to the family according to the withdrawal schedule provided above, unless the reason for the involuntary withdrawal was a result of severe disciplinary reasons. Students who leave the school as a result of severe disciplinary action will be responsible for paying the full tuition. Nothing contained in any other policy, handbook or verbal conversation can alter or minimize the School's unilateral discretion to terminate a student's enrollment.

Financial Aid:

- Families must register for admission and also apply for financial aid each and every year in order to be eligible for financial aid. Awards are not automatically renewable.
- Families apply for aid through FACTS Tuition Management.
- Financial Aid will be awarded based on ranked, verified, demonstrated financial need.
- Families must declare all sources of tuition assistance; parish, diocese, outside resources, etc.
- Financial Aid awards will be pro-rated over 10 months.
- If a student withdraws from school before the end of the year, financial aid will be proportional to the time the student attended school.

STUDENT HANDBOOK HIGHLIGHTS-2021/2022

Acceptance of admission to Blessed Sacrament School implies a willingness on the part of students and parents to comply with school regulations. **Non-compliance will result in disciplinary action.** Regulations include, but are not limited to, the following items highlighted from the Blessed Sacrament School Handbook. Please read the complete Student Handbook on the Blessed Sacrament School website. <http://blessedschoolpvd.com>

Punctuality – Students are admitted to the school building at 8:00 a.m. Any child who is not in his classroom by 8:15 a.m. is deemed late. Excessive tardiness may result in any of the following consequences: Detention, Parent-Principal Meeting or not going on Field Trips.

Cell Phones – Students are **not allowed to carry cell phones during school hours**. If students wish to still bring them to school, they can either leave them with their homeroom teacher or in their backpack (remember, if it gets lost or stolen, it is not the school's responsibility).

Dress Code - Parents of children not in proper uniform will be notified immediately and expected to bring the necessary clothing to ensure dress code compliance, per the handbook guidelines. Shoes are to be worn on all school days when no physical education classes are scheduled. Appropriate sneakers are to be worn on gym days. **Blessed Sacrament "Hoodie" sweatshirts may only be worn when student has a scheduled Physical Education Class.**

Tattoos: No tattoos, permanent or temporary are permitted.

Nail Polish: Girls only; should be clear or skin color.

***NO gum chewing is allowed in school.**

Permission Slips – The only acceptable form of permission slip for students to leave the building for field trips is the official form sent home from school. Any other format, i.e. handwritten notes, phone calls, etc. will not be accepted, and the student will not be allowed to leave.

Photo Permission Policy- Occasionally, Blessed Sacrament School may publish photographs of students in promotional materials. We appreciate your willingness to allow the school to use photos of your student(s) to aid in sharing our good news with neighbors. Students who opt out of the photo permission option, may miss some important school events.

As stated, the above regulations are abbreviated from the Blessed Sacrament School Handbook. They are fully detailed in the handbook, where you will find additional important information regarding school rules and policies.

We have read and understand the above regulations and agree to their compliance. We understand that there are consequences for noncompliance. We have also read and understand the handbook, which can be accessed at <http://blessedschoolpvd.org/grades-1-through-8-registration>.

TECHNOLOGY USE BY STUDENTS

BLESSED SACRAMENT SCHOOL REGULATIONS FOR STUDENT ACCEPTABLE USE OF TECHNOLOGY RESOURCES

Blessed Sacrament School provides technology resources to its students and staff for educational and administrative purposes. School technology resources include but are not limited to the intranet, internet access, fax, e-mail, computer programs, and telephone. The goal in providing these resources is to promote educational excellence by facilitating resource sharing, innovation and communication with the support and supervision of parents, teachers, and support staff. The use of these technology resources is a privilege, not a right. Student use of such resources will be monitored and students have no reasonable expectation of privacy in their use of resources.

Blessed Sacrament School fully endorses the use of the Internet and related technology resources as educational tools. Access to information, research sources, people and computers throughout the world is available to students. The school is committed to restricting access to questionable material and to limiting inappropriate use by having installed filtering software, direct supervision and student education. Control of all on-line activities is impossible. Therefore, all users who have access to the school's Internet and related technology resources are required to adhere to strict ethical and legal guidelines. It is the expectation of the faculty and administration that all students will adhere to the regulations stated below. If Blessed Sacrament School users violate any of these provisions, their access via the school may be terminated, and the use of the school's technology resources in the future may be denied. In addition, a student who violates these guidelines will be subject to disciplinary action up to and including suspension/expulsion from school.

Blessed Sacrament School recognizes that parents and guardians of minors are ultimately responsible for setting and conveying the standards that their children should follow when using media and information resources. We encourage parents and guardians to enforce the same standards when their child uses their home computer. If a student's behavior on social media forums outside of the school, on their personal devices, may still result in discipline by the school if such conduct reflects poorly on the school or harasses other students.

Student Compliance Agreement

I understand that access to the Internet and related technology resources from Blessed Sacrament School must be in support of education and research, and I agree to the following:

- I will refrain from accessing any news groups, links, list-servers or other areas of cyberspace that would be offensive to any students, teachers or parents due to racial, ethnic or minority disparagement, or pornographic, violent, illicit or illegal content.
- I understand that I am responsible for monitoring and appropriately rejecting materials, links, dialogue and information accessed or received by me. If any material appears on screen that is unacceptable or makes me uncomfortable, I will close out of such materials immediately or, if the system will not allow me to close out of the materials, shut off the monitor and notify the supervising teacher.
- I accept responsibility for keeping copyrighted software from entering the school via the Internet. Therefore, I must not download games, music, graphics, videos or text materials that are copyrighted.
- I understand that plagiarism is unacceptable and accept responsibility for using downloaded text in an appropriate manner. I will not post, distribute or use without permission material that was created by someone else.
- I will be courteous and use appropriate language, refraining from swearing or using any forms of obscene, harassing or abusive language. If I am a victim of such harassment, I will report the abuse immediately to the supervising teacher or principal. If another user asks that I no longer communicate via email, I will stop all contact immediately.
- I will not reveal personal information including addresses (home/email) and phone numbers of others or myself.
- I will not lend any assigned user accounts or passwords to others.
- I understand that system operators and the administration will have access to all user accounts.

APPENDIX FF

Technology Use by Students
January 2012
Revised August 8, 2012
Revised September 17, 2012

TECHNOLOGY USE BY STUDENTS

- If I am not sure of how to do something on the computer, I will ask the supervising teacher.
- If I suspect a security problem related to my school's accounts or on the Internet, I will notify the supervising teacher or principal and cease using such functions
- I understand that any user legitimately identified as a security risk or with a history of problems with other computer systems may be denied access to the Internet through Blessed Sacrament School.
- I understand that any user attempting to maliciously harm or damage data of another user or an area of the Internet, including the introduction of computer viruses and the unauthorized use of debit or credit cards, will be denied access to the Internet through the school and will be subject to disciplinary procedures.

To the extent a student's participation in social media while outside the School reveals his or her identity as a school student or contains content about the School, the student must strive to protect the reputation of the School. Like in all forums, when a student's conduct online reflects poorly upon the school, the school may take disciplinary action. The following are specific guidelines governing social media participation and use of social communications outside the school:

- Nothing is private and anything a student posts will remain public for a very long time. A student should not rely upon privacy settings in websites. Online conduct can easily fall into unintended hands – teachers, other students and strangers - when those settings fail, the website is tampered with or when intended viewers share the content with other individuals.
- Unless a student's social media participation is explicitly for a School-approved reason, social media identities, online profiles, logon ID's and user names should not specify the identity of the student as a student of the school.
- Protect school information. Refrain from sharing examples of classroom situations or personal information about other students.
- To the extent there could be any confusion as to whether the student is speaking on behalf of the school, the student should make clear that the views expressed are the student's alone.
- Students may be disciplined for inappropriate or harassing conduct even when not at school or using school property.
- Students should not respond directly to a journalist online regarding issues that concern the School. Refer the inquiry to appropriate School personnel.
