Making the sign of the cross:

Vatican City, Apr 18, 2018 / 03:50 am ([CNA/EWTN News](#)).- On Wednesday Pope Francis said that to make the sign of the cross is to mark ourselves as Christians, and that it is something we should do often to remind ourselves that we belong to God.

“The cross is the badge that shows who we are: our speaking, thinking, looking, working [are] under the sign of

The cross that is, the love of Jesus, to the end,” the pope said April 18.

“Making the sign of the cross when we wake up, before meals, before a danger, to defend against evil, [at] night before sleep means to tell ourselves and others who we belong to, who we want to be.”

Reflecting on the sacrament of Baptism, he offered the suggestion of keeping a small dish of holy water at home, so that, “every time we come back or go out, making the sign of the cross with that water, we remember that we are baptized.”

The Marian Message: THE FAMILY OF GOD

As we give honor to the Most Blessed Trinity, we are reminded that Mary is in the best position to speak about the three Divine Persons. Because of her unique role in the economy of salvation and her perfect obedience to God, she lives within the innermost life of the Most Holy Trinity. Mary is the Privileged Daughter of God the Father; the Immaculate Mother of Jesus, God the Son; and the Beloved Spouse of the Holy Spirit.

The Blessed Mother also wishes all of us to live in the heart of the Most Holy Trinity where she dwells as her habitual dwelling place (letter o). This reveals the truth that Mary is Our Lady of the Most Holy Trinity. With her, we can be assured that we will also dwell in the Heart of the Most Holy Trinity. The salvation of the world simply means the triumph of Divine Mercy and the triumph of her Immaculate Heart that will surely lead to the fullness of the reign of the God in the world and the full incorporation of the whole mankind into the family of God the Father and the Son and the Holy Spirit.
