CELEBRATION OF THE SUNDAY EUCHARIST
Sunday – 8:30a.m.

Beautiful Reflections on

On this the first Sunday of Christmas, the Church celebrates the Holy Family of Nazareth of Jesus, Mary and Joseph. We live in a time when the family institution is under a serious threat. The family, the nucleus of the human society appear to be *“an endangered specie.”*

Today, the church invites us to emulate the Holy family as our model. So, all the readings of this Sunday are carefully selected instructions for a Christian family, and the duty of each member of the family. This is in order to maintain the sanctity of the family.

When Jesus’ parents thought he was lost together, they looked for him, and found him. As parents, they played their role well. Joseph is a role model for all fathers. He protected and provided for both Mary and Jesus.

Mary also played her role very well by providing the maternal love that their son needed as he grew up

On his part, Jesus was not disobedient or problematic. He understood the difficulties that faced his family.

In a Christian family, if each member plays his role well, the family grows. If the husband loves and respects his wife and children, he wins their favor. If the mother respects the father, and nurtures her children, the family will be a better place. If children obey and respect their parents, they are blessed.

A Christian family is, a family modeled after the Holy Family of Nazareth. It is a family ordained by God. It is made up of the father, the mother, and Children (when it pleases God). It is a family that stays and prays together. It is a family where children are educated and brought up with love, sincerity, dignity and authenticity.

It is a family where each member is valued and respected. It is a family where difficulties are peacefully and prayerfully resolved through dialogue. The model of every good Christian family is the holy family of Nazareth. **So, let us pray: Jesus, Mary and Joseph, Pray for us. Amen.**

Homilia del Primer Domingo De Navidad La Sagrada Familia De Nazaret: El Modelo Cristiano

En este primer domingo de la Navidad, la Iglesia celebra la Sagrada Familia de Nazaret de Jesús, María y José. Vivimos en un tiempo en la que la institución familiar está bajo una grave amenaza. La familia, el núcleo de la sociedad humana ahora parece “una especie en peligro”.

Hoy, la Iglesia nos invita a emular la Sagrada Familia como nuestro modelo. Así que, todas las lecturas de este domingo son instrucciones cuidadosamente seleccionadas para familias cristianas, y el deber de cada miembro de la familia. Esto es para mantener la santidad de la familia.

José es un modelo a seguir para todos los padres. Él protegía y proveía para María y Jesús. Mary también cumplió su papel muy bien al proveer el amor materno que su hijo necesitaba mientras que crecía. Por su parte, Jesús no fue desobediente, ni problemático. Comprendió las dificultades que enfrentó a su familia.

En una familia cristiana, si cada miembro desempeña su papel bien, la familia crece bien. Si el esposo ama y respeta a su esposa e hijos, gana su favor. Si la madre respeta al padre, y nutre a sus hijos, la familia será un lugar mejor. Si los niños obedecen y respetan a sus padres, serán bendecidos.

Una familia cristiana es una familia modelada según la Sagrada Familia de Nazaret. Es una familia ordenada por Dios. Consiste el padre, la madre y los hijos (cuando agrada a Dios). Es una familia que se queda y reza juntos. Es una familia donde los niños son educados y criados con amor, sinceridad, dignidad y autenticidad.

Es una familia donde cada miembro es valorado y respetado. Es una familia en la que las dificultades se resuelven pacíficamente y con espíritu de oración mediante el diálogo. El modelo de toda buena familia cristiana es la Sagrada Familia de Nazaret. Así que, oremos: “*Jesús, María y José, rueguen por nosotros.*”
