Jesus Is Risen,, Alleluia

Easter is the most important feast in the Church because the resurrection of Christ is the basis of our Christian faith. Resurrection of Jesus gives new meaning and direction to every Christian or the one who believes in him and follows his teachings. Experience of the risen Christ gives us the lasting peace and joy. Thus everyday must be the day of Easter for true Christians.

Bearing witness to the risen Christ and proclaiming his Gospel to the world are the main theme of today's readings. Resurrection of Jesus is not about believing but rather living the words of Jesus. It is right time to question oneself what does resurrection mean to me? Is it life after death or transformation of self within this life?.

Resurrection should influence our thoughts and actions positively, infuse us with unsurpassable hope and thus enable us to live a new life of joy that manifests resolute courage

Resurrection experience is our strength. This is what we see in the life of the apostles, the early Christians and martyrs and saints of the Church. Fear could not frighten them, death could not stop them, worldly pleasure could not attract or satisfy them, to live and profess their faith. In the world of pain, sorrow and tears Easter reminds us that life is the worth living. It is our belief in the real presence of the risen Jesus in our soul in our day today life.

Pray: Lord, break open our sealed tomb of hopelessness and doubt, give us the eye of faith to know you. Open our hearts to receive the gifts of hope in and through the resurrection of your son Jesus Christ.

Jesús ha resucitado, Aleluya

La Pascua es la fiesta más importante en la Iglesia porque la resurrección de Cristo es la base de nuestra fe cristiana. La resurrección de Jesús le da un nuevo significado y dirección a cada cristiano o al que cree en él y sigue sus enseñanzas. La experiencia de Cristo resucitado nos da la paz y la alegría duraderas. Así, todos los días debe ser el día de la Pascua para los verdaderos cristianos.

El testimonio de Cristo resucitado y la proclamación de su Evangelio al mundo son el tema principal de las lecturas de hoy. La resurrección de Jesús no se trata de creer, sino de vivir las palabras de Jesús. Es el momento adecuado para preguntarse qué significa la resurrección para mí. ¿Es la vida después de la muerte o la transformación del yo dentro de esta vida? La resurrección debe influir positivamente en nuestros pensamientos y acciones, infundirnos con una esperanza insuperable y, de este modo, permitirnos vivir una nueva vida de alegría que manifieste un valor resuelto. La experiencia de la resurrección es nuestra fortaleza. Esto es lo que vemos en la vida de los apóstoles, los primeros cristianos y mártires y santos de la Iglesia. El miedo no podía asustarlos, la muerte no podía detenerlos, el placer mundano no podía atraerlos o satisfacerlos, vivir y profesar su fe. En el mundo del dolor, la tristeza y las lágrimas, la Pascua nos recuerda que la vida es lo que vale la pena vivir. Es nuestra creencia en la presencia real de Jesús resucitado en nuestra alma en la vida de hoy en día.

Ora: Señor, rompe nuestra tumba sellada de desesperanza y duda, danos el ojo de la fe para conocerte. Abra nuestros corazones para recibir los dones de esperanza en y mediante la resurrección de su hijo Jesucristo.
