The 12 tips that Pope Francis gives to young people today

Pope Francis opened his heart to thousands of young people to whom he gave 12 tips to apply them in his life. This is what the Holy Father did during his fourth apostolic trip in Africa in the inter-religious encounter with thousands of young people in Maputo, the capital of Mozambique, after having celebrated Mass privately in the Apostolic Nunciature of Maputo and having met there with some young people from Mozambique.

1. You are important! They have to know, they have to believe it. You are important! But, with humility!
2. Joy is the best antidote that denies all those who want to divide, fragment or face.
3. If you want to get there fast, walk alone, if you want to go far, go accompanied.
4. Dream of others, never against others; Dream as you have dreamed and prepared this meeting: all united and without barriers.

5. Resignation is the enemy of dreams and commitment, so is anxiety.
6. Do not let them steal your joy. Do not stop singing and expressing yourself according to all the good you learned from your traditions.
7. It is not good to give up! Let's not fall into the error of stopping because there are things that didn't work out for us the first time.
8. We are able to create social friendship. Don't forget that social enmity destroys: The world is destroyed by enmity! And the greatest enmity is war.
9. the most beautiful dreams are conquered with hope, patience and determination, giving up the rush.
10. Peace is a process that you are also called to go, always reaching out especially to those who are going through a difficult time.
11. Seek to grow in friendship also with those who think differently, so that solidarity grows between you and becomes the best weapon to transform history.
12. Protect our common house, a house that belongs to everyone and for everyone. This is a beautiful dream to cultivate together, as a family, a beautiful struggle that can help you stay together.

1st Native-born US martyr to have shrine in Oklahoma

Blessed Stanley Rother, the first native-born US martyr, will be honored with a shrine in his native Oklahoma. Groundbreaking for the Oklahoma City facility will be November 3.

“The groundbreaking for the shrine will be a significant moment in the life of the Church in Oklahoma and for the broader community,” said Archbishop Paul Coakley of Oklahoma City. “The shrine is being built to honor Blessed Stanley Rother, an Oklahoma original and the first U.S.-born priest and martyr ever beatified. It will be a place of pilgrimage where the faithful will come from near and far to honor

Blessed Stanley at his final resting place and to seek his intercession for their many needs. It will be a place of welcome, serving all people. Described as an “ordinary” priest, Stanley Rother was officially recognized in 2017 as the first martyr of the Catholic Church born in the United States. His beatification drew a crowd of 15,000 in Oklahoma City.

- and now many will be celebrating his feast day on July 28 each year.
- According to Maria Ruiz Scaperlanda, his biographer, “He was a farmer from Okarche, Oklahoma, who served the Church as a devoted priest both here and in the Oklahoma mission in Santiago Atitlán — where he literally farmed the Guatemalan fields side by side with his parishioners.” His name was eventually put on a “death list” in Guatemala for his missionary activities, and he was gunned down by militants at the age of 46. The shrine will include a 2,000-seat church, a chapel where Blessed Stanley will be buried, an education building, an event space and several areas designated for shrines and devotion. The site will be developed over time.
- Along with the Spanish colonial-style church – which will be the largest Catholic Church in Oklahoma – an additional element will be a museum and pilgrim center. The center will welcome thousands of visitors each year to an experience that leads them through the life, witness, and martyrdom of Blessed Stanley. The church will host many large diocesan events and will help accommodate the growing Hispanic population, which has left various area parishes significantly overcrowded.

Loving God, Creator of all things,
you call us to be in relationship with you and others.

Thank you for calling me to be a catechist,
for the opportunity to share with others
what you have given to me.

May all those with whom I share the gift of faith
discover how you are present in all things.

May they come to know you, the one true God,
and Jesus Christ, whom you have sent.
May the grace of the Holy Spirit guide my heart and
lips,
so that I may remain constant in loving and praising
you.

May I be a witness to the Gospel and a minister of
your truth.

May all my words and actions reflect your love.

Amen.

**El Papa Francisco abrió el corazón ante miles
de jóvenes a quienes les dio 12 consejos para
aplicarlos en su vida.**

Así lo hizo el Santo Padre durante su cuarto viaje
apostólico en África en el encuentro interreligioso con
miles de jóvenes en Maputo, la capital de Mozambique,
tras haber celebrado la Misa en privado en la Nunciatura
Apostólica de Maputo y haberse reunido allí mismo con
algunos jóvenes de Mozambique.

1. Ustedes son importantes! Tienen que saberlo,
tienen que creérselo. ¡Ustedes son importantes!
Pero, ¡con **humildad!**
2. **La alegría es el mejor antídoto** que desmiente
a todos aquellos que quieren dividir, fragmentar
o enfrentar.
3. Si quieres llegar rápido camina solo, si quieres
llegar lejos, ve acompañado.
4. **Sueñen con otros, nunca contra otros;** sueñen
como han soñado y preparado este encuentro:
todos unidos y sin barreras.
5. La resignación es enemiga de los sueños y del
compromiso, también lo es la ansiedad.
6. No dejen que les roben la alegría. **No dejen de
cantar** y expresarse de acuerdo a todo lo bueno
que aprendieron de sus tradiciones.
7. **¡No es bueno darse por vencido!** No caigamos
en el error de detenernos porque hay cosas que
no nos salieron bien la primera vez.
8. Seamos capaces de crear la amistad social. No
olviden que la enemistad social destruye: **¡El**

mundo se destruye por la enemistad! Y la enemistad más grande es la guerra.

9. Los sueños más bellos se conquistan con **esperanza, paciencia y determinación**, renunciando a las prisas.
10. La paz es un proceso que también ustedes están llamados a recorrer, tendiendo siempre sus manos especialmente a aquellos que están pasando en un momento de dificultad.
11. Busquen **crecer en la amistad también con los que piensan distinto**, para que la solidaridad crezca entre ustedes y se transforme en la mejor arma para transformar la historia.
12. **Proteger nuestra casa común**, una casa que es de todos y para todos. Este es un lindo sueño para cultivar juntos, como familia, una linda lucha que los puede ayudar a mantenerse unidos.

Por último, el Papa Francisco quiso realizar una última reflexión: “Dios los ama, y en esa afirmación estamos de acuerdo todas las tradiciones religiosas -y añadió- **para Él realmente eres valioso, tú no eres insignificante, le importas**, porque eres obra de sus manos. Porque te ama. Por eso te presta atención y te recuerda con cariño’. No quiere llevar la cuenta de tus errores y, en todo caso, **te ayudará a aprender algo también de tus caídas**. Porque te ama. Intenta quedarte un momento en silencio dejándote amar por Él. Intenta acallar todas las voces y gritos interiores y quédate un instante en sus brazos de amor”.

VIGÉSIMO TERCER DOMINGO EN EL TIEMPO ORDINARIO Jesús le dice a la muchedumbre que solo aquellos que renuncian a todas sus posesiones pueden ser Sus discípulos. Esta Él verdaderamente pidiéndonos que lo entreguemos todo? Tal vez esta tratando de ayudarnos a ver que todo lo que pensamos que poseemos es realmente un regalo de Dios. Los buenos administradores de los bienes de Dios lo saben y se esfuerzan en utilizar esos regalos responsablemente.
