## Parish Synthesis Form to Report to Diocese

Parish Name: \_\_\_\_\_ Pastor Name \_\_\_\_\_

Pastor Signature \_\_\_\_\_

Report common trends and points of convergence, but also highlight those points that strike a chord, inspire an original point of view, or open a new horizon. The synthesis should pay special attention to the voices of those who are not often heard and integrate what we could call the “minority report.” The feedback should not only underline positive experiences but also bring to light challenging and negative experiences in order to reflect the reality of what has been listened to. Something of the experience of the local gathering should be conveyed in the feedback; the attitudes of the participants, and the joys and challenges of engaging together in discernment.
