DIVINE PROVIDENCE SCHOOL STUDENT-PARENT HANDBOOK 2019-2020

Divine Providence School Mission Statement

Divine Providence School is a Christ centered community fostering the gospel message through education and service. Together with parents, we guide our students toward a life of Christian leadership. Providing a challenging curriculum, we prepare our students to contribute positively to an ever-changing global society.

Philosophy Statement

Catholic schools must be faith centers: teaching the message, building community and extending itself in service. The members of the faculty of Divine Providence School realize they share in the teaching mission of the Church and strive to meet these challenges.

The educational program of Divine Providence School is directed toward the growth of the total person. In accordance with this ideal, the faculty gives prime importance to the dignity and worth of the individual student. Members of the staff assist the students in building a positive self-concept and developing their potential. The desired outcome includes the spiritual development of the students in accord with the school's dedication to the Providence of God, focusing on the Father's love and care for one another.

In carrying out this ministry, the teachers strive to develop excellence in all curriculum areas, to instill strong values, to seek the discovery of truth, and to prepare the students to face the future with hope. This ministry will then lead the students to see beyond themselves to the larger world community, with its need for transformation through justice, sharing, and love.

The philosophy of Divine Providence School focuses on the formation of the child as the foremost responsibility of the parents with the school, the Church, and the community as secondary agents. The need for developing the Christian person is dependent on mutual trust, cooperation, respect and a partnership with home, school, and parish.

Divine Providence School embraces this philosophy as the foundation for our existence, and a catalyst for a Christ centered world.

Accreditation and Recognition

Divine Providence Catholic School has earned full accreditation from the Office of Catholic Education of the Archdiocese of Chicago and full recognition by the Illinois State Board of Education.

Tuition payments are not accepted at school.

Parents who are one month in arrears will receive a notification of non-payment. Students of families with outstanding balances will not be allowed to participate in any of the end of the year activities or celebrations including graduation, nor will families with outstanding balances be able to re-register for the next academic year.

NON-DISCRIMINATORY STUDENT ADMISSION STATEMENT (Archdiocesan Policy 311,312, 1990)

Divine Providence School is operated under the auspices of the Catholic Bishop of Chicago, a corporation sole, in the Archdiocese of Chicago. Divine Providence Catholic School admits students of any race, color, sex, national and ethnic origin to all the rights, privileges, programs

and activities generally accorded or made available to students in the school. Divine Providence Catholic School does not discriminate on the basis of sex, race, color, or national and ethnic origin in administration of educational policies, athletic or other school-administered programs.

ATTENDANCE

School is a setting where, in addition to academic and social learning, students begin to learn responsibilities necessary in everyday life. These include **regular** attendance and punctuality necessary for a student's success in school.

Daily school attendance is compulsory in the State of Illinois for children 6 through 16 years of age. The responsibility for compliance with the law belongs to the parent(s)/guardian(s) of the child. The school is responsible for keeping an accurate record of each student's daily attendance. The attendance record is placed in the student's permanent file each school year.

- The parent/guardian must report all absences by 9:00 a.m.
- Students unable to participate in Physical Education class or recess must have a written excuse from a doctor to this effect
- Students who leave school early due to illness may not return that day to participate in any extra-curricular activity. Any student who is absent cannot participate.
- Students who are determined to have a temperature of more than 99.9 at school will be required to be dismissed immediately to parents or emergency contact, and must be kept home until 24 hours fever free without the use of medications that lower the temperature
- Students will have one day to make up homework for each day absent
- Students who have been absent for three or more consecutive days must bring a dated note from a physician which states the reason for the absence and assures the school that the student's presence creates no health danger to others
- A student is considered tardy if he/she enters the classroom after the 8:00AM bell has rung. Student tardiness negatively impacts the school day by creating significant disruptions. Students are expected to arrive to school on time, fully prepared for the school day. Students grades 4-8 who are chronically late (5 times/trimester) will receive an after school detention. In addition, if a student is tardy 5 or more times during the school year, the student is no longer eligible for perfect attendance status.
- Family vacations are **STRONGLY DISCOURAGED** during the school year.

The State of Illinois requires by law compulsory attendance by all children between the ages of six and sixteen. Accurate records of daily attendance are required to be maintained by the school. If a child must leave prior to the dismissal time s/he must be signed out by a parent/guardian at the school.

- In case of emergency, students will only be released to another adult with the consent of the parent
- A written note must be sent to the office in the morning indicating the specific time the child will be picked up
- A parent/guardian taking their child(ren) out of school for an extended period of time, must send a note to the school office and to the teacher(s) prior to the date of absence, indicating date and reason for absence
- Teachers will not be held accountable for preparing lesson plans in advance for a student who will be absent for a family vacation

ACADEMIC PROGRAM

CURRICULUM

The major subject areas covered in kindergarten through 8th grade include: Religion, English, Reading, Spelling, Mathematics, Science, Social Studies. Music, Physical Education/Health, Computer Literacy and Spanish are taught by special teachers. All students are expected to complete coursework in all subject areas.

The academic programs for 7th and 8th grade students are planned and structured in a way to ensure learning and academic success in Language Arts, Math, Science, and Social Studies. An advanced math course is offered to these students. This course requires the students to work more independently and to be motivated learners. It is expected that students in this program be able to enroll at the public or private high school or their choice and be eligible to take honors courses in the various academic courses.

Determination about a student's placement in the advanced math course of study is based on several criteria including: student report cards, student standardized test scores, student attitude and work ethic, and teacher recommendation. Students can be moved from one course of study to another at any time during the first trimester of the academic year at the discretion of the administration in order to ensure a student's academic success. After the first trimester, changes in placement will only be made in special circumstances.

Alternative Learning Day(s)

On Alternative Learning Days students do not report to their school building, but have activities for each class to work on from home. This allows students a chance to dig into material on their own, utilizing technology when applicable, and experience learning outside of the classroom. Teachers are available electronically throughout the day (9AM 3 PM) to help with assignments and activities. This also allows the school the flexibility to continue learning during inclement weather or other unexpected closures. Each grade has a plan in place and will use materials available online and sent home with the student ahead of time to be ready in the event that the school building needs to be closed. Specific plans can be communicated by 9:00 AM via email for any alternative learning days. Work will be due as designated by the teacher. Work not completed and submitted to the teacher by the date due will be considered absent for the school day.

COMMUNICATION WITH TEACHERS/ STAFF

If any meeting in addition to the Parent-Teacher conference is necessary, the teacher or parent must schedule a meeting for a mutually agreed-upon time.

To contact a teacher, please use their e-mail, or call the office and leave a request with the secretary. Your call will be returned within 24 hours. The teachers may not have phone calls or interviews when they are engaged in teaching or supervising children. Parents may not call teachers on their private lines. Instead, teachers may also be contacted via their school e-mail accounts. Please see list of faculty and staff e-mail addresses on pages 2-4.

CONFERENCES

Parent Teacher conferences are scheduled annually, usually at the end of the first trimester, for the purpose of discussing constructively the child's rate of progress and other matters of mutual concern. An optional parent/teacher conference is scheduled in the March; however, additional

conferences are encouraged and may be initiated at any time by either the parent, teacher, and/or principal. Parents are encouraged to discuss all academic and behavioral problems with the teacher first. If the issue cannot be resolved in this manner, then the principal should be consulted.

FIELD TRIPS

Educational field trips are an extension of the curriculum. Before any child may go on a field trip the parents must sign a permission slip for their child. They may also be asked to help defray any transportation and /or admittance expenses. The wearing of school uniforms is at the discretion of the teacher/principal. Proper conduct is expected at all times.

GYM DAYS

Because of the importance of physical fitness for our students, each class pre-kindergarten through 8th grade will have two class periods per week of physical education. Pre-school classes are flexible and will have time for physical fitness during the week as their schedule allows.

HOMEWORK

One of the chief means of communication between parents and the school is homework. Homework assignments give parents the chance to learn the general theme of their child’s courses. It also enables them to see the type of work their child is producing.

Written work is not the only type of homework; study and oral assignments are also given. Whatever type is assigned, the child must realize early that homework is his/her personal responsibility, and must be done consistently with emphasis on completeness, accuracy and quality. Primary grade children will often need the assistance of their parents to complete assigned projects.

Homework is intended to be a review and/or reinforcement of the lessons learned that day in school. Parents can help by providing the child with a quiet place to study, and by seeing that telephone calls and watching television programs are discouraged during this period.

In the event an emergency prevents completion of a homework assignment, a note of explanation should be written by parents to their child’s teacher(s).

GRADES 6th, 7th & 8th

GOLDEN HONOR ROLL REQUIREMENTS – To achieve Golden Honor Roll status students must have a grade point average of 3.67 and above in the subjects of Language Arts, Math, Science and Social Studies.

SILVER HONOR ROLL REQUIREMENTS – To achieve Silver Honor Roll status students must have a grade point average of 3.0 - 3.66 tin the subjects of Language Arts, Math, Science and Social Studies.

Academic grades of D, F, U, in ANY subject will exclude a student from the honor rolls.

At the end of each trimester, students who achieve honor roll status will be recognized.

LIBRARY

Students will have the opportunity to visit the school library weekly. Depending on their grade, students can check out one or two books at a time. Books should be returned by the due date stamped in the book. While the school does not charge overdue fines, a student will not be allowed to check out a book if he or she has overdue books. When the student returns the books, he or she can use the library. If a book is lost or damaged, the library will ask for a replacement fee. When paid, the student can again use the library.

REPORT CARDS

Reports cards are issued at the end of each trimester to students in kindergarten through grade 8 and serve as an invaluable assessment of the child's academic progress and social development. The Power School program provides grades electronically in grades 1 - 8.

The Achievement Code in each subject is based on the accomplishing of goals, objectives, and requirements:

- A – Consistently does superior work;
- B – Usually does above average work;
- C – Usually does average work;
- D – Usually does below average work;
- U – Usually does unsatisfactory work or no work at all.

SHADOWING

8th grade students and second semester 7th grade students may shadow at a high school of their choice. 8th grade students will be allowed one day to shadow as a student activity, and it will not be counted as an absence. It is recommended that this is done no more than twice during the school year. Any more than twice jeopardizes the student's success in his/her studies.

TESTING

The ACT Aspire tests are given at intervals during the student's life. Achievement tests are currently given to students in grades 3 through 8. The purpose of the testing program is to improve teaching and learning. All testing is done in the spring.

Diagnostic Evaluation of Students

The parent(s) applying for initial or continued enrollment of their child in Divine Providence School may be required, as a condition of their enrollment, to obtain a diagnostic evaluation for the child. Such an evaluation would be warranted if the child displays or has a history of behavioral, physical or academic deficiencies which might cause harm to self, continuing disruption of normal operations of the classroom, continuing patterns of failure, or the inability to perform within age appropriate expectation for the required course of study.

The Principal will be responsible for presenting the case for evaluation to the parent(s) after conferring with the teacher(s), reviewing documented observations of the student in various school settings, and reviewing samples of the student's work.

The Principal will assist the parent(s) in finding appropriate evaluative service in the public or private sectors. The evaluating agency must be properly certified to conduct the screening required. The screening must take place within four weeks following the conference with the principal unless a case backlog makes this impossible. All costs, if any, will be the responsibility of the parent(s).

Upon completion of the evaluation, a staffing will be held. This will include the parent(s), evaluator, teacher, and the principal. Based upon the information obtained, a plan of action will be developed to address any deficiencies documented by the screening and or observation. If these defined needs cannot be addressed by continued enrollment in Divine Providence School the principal may require the parent(s) to seek other placement.

SCHOOL POLICIES

ADDRESSES, TELEPHONE NUMBERS, and E-MAIL

Change of address, telephone numbers, and/or e-mail addresses must be reported to the school immediately. This is to facilitate communications with the home, especially in the case of illness or accident.

All parents must provide the school with accurate contact information, including emergency contacts, to allow the school to communicate with the family at all times during the school day.

BUS

The Westchester Public School system provides bus transportation for our students living north of Cermak Road, south of Roosevelt Road, west of Manheim and east of Wolf Road. Each rider will receive a schedule of pick-up and drop-off points and times.

School bus riders, while in transit, are under the jurisdiction of the school bus driver unless the local Board of Education designates some other adult to supervise the riders. Proper student behavior is essential for the safety of all students. At the beginning of each school term, a set of bus rules and procedures for dealing with bus violations are sent to the families of the students riding the bus. **THE OFFICE MUST BE NOTIFIED IF A CHILD IS NOT TAKING THE BUS HOME FROM SCHOOL ON ANY GIVEN DAY.** If a child will not be taking the bus home from school on a particular day all year (for example, choir practice every Wednesday after school) an explanatory note at the beginning of the school year to be kept in our files will suffice. At the end of each school day all bus riders are to report to the bus monitor regardless of whether or not they will be riding the bus on that particular day. If a student does not report to the bus monitor, the bus may leave without them and the school is not responsible for their transportation home.

CHILD CUSTODY

Because Divine Providence School assumes responsibility for children in the school, it is important that we are notified of any special arrangements regarding custody of and access to children whose parents are divorced or separated.

- **Buckley Amendment**

Divine Providence School follows the provisions of the FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT and permits parents to inspect and review their child's school records.

Divine Providence School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, a school provides the non-custodial parent access to the academic records and to other school related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

CODE OF CONDUCT

- Conduct and Discipline

“It is the task of the Catholic School to cultivate in students the ability to make correct judgments, to promote a sense of values, and to encourage just attitudes and Christian behavior...” Pope John Paul II.

Discipline is an important aspect of life. The goals of Divine Providence School include creating an environment that is conducive to the development of the whole Christian person and creating a pleasant, caring atmosphere where every child can strive to attain his/her maximum potential. In order to achieve these goals, we must work together to teach our children respect for property and individuals and to take responsibility for personal behavior.

- Behavior Expectations

Bullying and Harassment

- Bullying Policy

Everyone at Divine Providence School is committed to making our school a safe and caring place for all students. As members of a Catholic community, we will work to make our school a place where all are welcome and can work and play in an environment of mutual respect. We will not tolerate bullying of any kind in our school and in activities sponsored by our school and/or parish community. Parents, teachers, administrators and the community must work together to eliminate bullying/harassment. The cooperation of all is necessary in addressing this issue.

Respect for others is an essential part of the Catholic school discipline code. Unfortunately, much of our culture promotes aggressive behavior. Creating a peaceful school community requires much diligence and guidance. Any form of demeaning or disrespectful behavior toward others is unacceptable and will not be allowed. BULLYING/HARASSMENT is defined here as an intentional, repeated, hurtful act (verbal, non-verbal or physical) committed by one or more persons toward others.

BULLYING/HARASSMENT is characterized by

- Aggressive behavior toward others
- Repeated over a period of time
- An imbalance of power

DIRECT BULLYING/HARASSMENT can take many forms but, not limited to:

teasing, hitting, stealing, taunting, pushing, hurtful words, picking on others, destroying property, cruel jokes/tricks, threats, pinching, spitting, name calling, ganging up on someone, biting.

INDIRECT BULLYING/HARASSMENT can take many forms but, not limited to:

This includes, but is not limited to jewelry, jackets, sweatshirts, caps, or other forms of clothing
- The display of signs or symbols on paper, notebooks, textbooks, or other possessions that may be gang related
- The use, possession, and/or concealing of a weapon

- Parent/Guardian Conduct

Parents/Guardians in the local school community are expected to demonstrate respectful behavior at all times towards faculty, administration, support staff, students, and volunteers whether on or off school grounds or at school-related events.

Unacceptable behaviors include, but are not limited to: verbal abuse, threats, harassment, assault or battery of the faculty, administration, staff, students and volunteers of the school.

Ordinarily, a student is not to be deprived of a Catholic school education on grounds relating to the actions/attitudes of parent/guardian. In some cases, one of the following actions may permit the continuation of the student in the school:

- Schedule meetings between school staff and the parent/guardian outside of regular school hours in a monitored setting
- Conduct school business with the other parent/guardian of the student
When, in the judgment of the principal and of the pastor, the behavior of a parent/guardian seriously interferes with teaching, learning, and a positive school environment, the administrator may:
- Inform parents that the right of the parent/guardian to be present on school grounds is temporarily or permanently suspended
- Dismiss the child(ren) of the parent/guardian temporarily or permanently from the local Catholic school

- Public Scandal Involving Students

Catholic school students are responsible to the school staff for maintaining exemplary behavior in school, at school-sponsored activities, and while going to and from school. In addition, student conduct in or out of school that reflects negatively on Divine Providence Church or Divine Providence School may be subject to disciplinary action, particularly when the names of the school, its teachers, or students are impacted by the behavior in our out of school.

School personnel have a responsibility and a right to inform parents/guardians when their child's behavior is inappropriate, disrespectful, or harmful to themselves or to others.

School personnel shall demonstrate care for the both the safety of the students and the reputation of the school in incidents of public scandal.

Students will be subject to disciplinary action for:

- Grave offenses which may include a violation of criminal law
- Actions so outrageous as to shock the conscience or behavior of the community

- Sexual Harassment Regulation

Sexual harassment by one employee toward another, by an employee toward a student, by a student toward an employee, or by one student toward another is unacceptable conduct.

Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including suspension and/or dismissal.

Retaliation in any form against an employee or student who exercises his or her right to make a complaint under this policy is strictly prohibited, and will itself be cause for appropriate disciplinary action.

Any employee or student, who knowingly makes false charges against an employee or a student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to the sanctions for misconduct set forth. Divine Providence will determine the facts regarding all

allegations in as prompt and confidential a manner as possible, and will take appropriate corrective action when warranted.

Students in possession of illegal substances and paraphernalia within the jurisdiction of the school or parish property or their sponsored events shall be suspended immediately pending a school investigation. A conference will be held with the principal, parent, parent/guardian, child, pastor and other appropriate persons as determined by the principal.

If the violation is founded, professional evaluation and if necessary, treatment shall be provided by the parent/guardian. When pastoral and rehabilitative measures have been exhausted with no success, the principal may choose continued suspension or expulsion. In extreme or special circumstances expulsion may be considered at an earlier time in the process. Police notification shall be made at the appropriate time, as directed by the law.

PARENT ORGANIZATIONS

The Parent Organizations of Divine Providence School are an extremely vital part of the very existence of the school. Without these, the “school family” would cease to exist. The children would still receive instruction on a daily basis, the building would still stand, and the faculty would still be paid, but there is so much more to educating than the clinical atmosphere being described above. Parental involvement is an integral part of a child’s education and Divine Providence families help to foster such an environment through parent organizations. The parent organizations of which we speak are the Family-School Association, Board of Specified Jurisdiction (“BSJ”) and the Athletic Association. Each parent organization in itself helps to provide necessities for the children, and together, these organizations’ contributions and collective efforts formulate the family atmosphere that is so important in rearing and educating children in the twenty-first century. In cooperation with the faculty, these parent organizations create the “school family.”

DIVINE PROVIDENCE FAMILY-SCHOOL ASSOCIATION

The Family-School Association is very active, and the members are a tremendous support to the school. This organization’s goals are to enhance the educational opportunities of the students in our school and to provide an avenue for communication and engagement between school families and administration. Parents are encouraged to take an active role in support of this organization. Meetings are held throughout the year and your attendance is strongly encouraged.

DIVINE PROVIDENCE ATHLETIC COMMITTEE

The function of the Athletic Committee is to develop objectives and guidelines for the operation of the extracurricular athletic program. They select the athletic coordinator, recruit the coaching staff, and are responsible for whatever fund raising activities are necessary to insure their budget. Parents are encouraged to participate.

SPIRITUAL GROWTH

Divine Providence follows a program of studies to reinforce the concepts and values taught in a Christian home. These studies are essential to the total education of the maturing students. Family life should be supportive of the Christian values the school aims at nurturing in the students.

Students of other faiths attending the school will follow the religious education course provided in the school and will participate in all religious activities except in the reception of the sacraments.

PRAYER

Prayer is recognizing the presence of God and is necessary in a person's spiritual formation. Formal prayer is taught and used in the classroom as well as spontaneous and creative prayer. The students begin and end the day with prayer.

RELIGIOUS OBLIGATION

The success of our religious education program is dependent upon the full and active support of the parents. **Parents are reminded that students are expected to be practicing Catholics, attending weekly liturgies and receiving the sacraments often.**

Attending weekly Mass with their parents/guardians and witnessing their parents' regular prayer and practice of Christian virtues will reiterate the importance of the Catholic faith – not only in doctrine, but in practice throughout their daily lives.

Parents/guardians are invited to attend the all-school prayer services and liturgies throughout the year. Dates and times for these services may be found on the monthly school calendar.

SACRAMENTS

FIRST RECONCILIATION and FIRST COMMUNION are received in 2nd grade. CONFIRMATION is received in 8th grade.

Parents are expected to be directly involved in the religious education of their children. Sacramental parent meetings are held to provide parents with educational help to enable them to assist in the preparation for these sacraments.

Opportunities for the Sacrament of Reconciliation are provided twice during the school year for all Catholic students. Parents, however, should encourage their children to receive the sacrament frequently.

SCHOOL EXTRACURRICULAR ACTIVITIES

Student participation in Divine Providence Catholic School is intended to enhance the educational progress provided by the school. However, participation in extracurricular is a privilege. As participants, students are required to represent our community in appropriate ways. Students who are unable or unwilling to maintain academic standards or conduct themselves appropriately may be suspended or removed. Eligibility reports will be issued weekly.

Some of the 7th & 8th grade students will volunteer once/week on a designated day to provide a mentoring program for students in grades 1 - 6. The program has a fall session and a spring session. Students will meet in designated classrooms from 3:00-3:45. Parents of the younger children are asked to provide a healthy snack for your student and the assigned mentor. Student Guidelines: It is our intent to create a pleasant, fun, safe, and secure atmosphere for all children enrolled in the program. The following rules must be followed:

1. Children must treat the extended day staff members with respect and obey all instructions.
2. Running, jumping, rough playing and shouting is not allowed.
3. Children must treat one another and their personal property with respect.
4. Physical and/or verbal abuse will not be tolerated.
5. Damage to school property will not be tolerated.

FORGOTTEN ITEMS

Parents, at no time, will be allowed to deliver supplies or lunches forgotten at home to their child's classroom.

Being prepared for school is essential for a successful day. We expect our students to come with their needed materials daily. Items, including books forgotten at home, lunch, and classroom materials, are not to be delivered to the classroom. We want to avoid any disruptions in the instruction time and respect the learning environment.

GRADUATION REQUIREMENTS

In order for an eighth grade student to graduate and receive a diploma from Divine Providence School, the following expectations must be met:

- completed the school's academic requirements;
- achieved a passing grade on the Constitution of the United States and the State of Illinois examination;
- adhered to the school's code of conduct;
- returned all school materials;

HEALTH AND SAFETY

Aids

Divine Providence School will adhere strictly to the Archdiocesan policies and guidelines before admitting a child with aids to be enrolled in the school.

Allergies

Because there are students with food allergies, we ask parents to refrain from providing snacks for all students in the class that contain dairy, certain fruits, nuts or any product that is processed in an environment that processes nuts. Please check with your child's teacher to determine what is safe for all.

Emergency Contact Information

Each child is to have an emergency form on file in the school office. This form contains phone numbers, indications of serious health problems, and the names and phone numbers of the doctor and an emergency contact to care for the child if the parent cannot be reached.

First Aid

If minor injuries should occur during the school day, children will be given first aid. A parent/guardian is informed, if necessary, or called immediately if the injury is questionable or more serious.

Head Lice

Head lice, on occasion, do affect our students. Procedures are in place to try to prohibit the spread of head lice. A child's head may only be privately checked for head lice if they exhibit symptoms. Parents will be notified if the child does have head lice. While head lice do not cause disease, they are a nuisance and can spread quickly. For that reason, Parents are expected to pick up their child immediately to begin treatment. Treatment must be successful before the child can return to school. Siblings may be inspected for head lice also upon return to school.

Illness

An ill child will be sent to the Main Office. If a child needs to go home, the Main Office will contact a parent (or an adult on the emergency card, if no parent can be reached). The child is to be picked up from the Main Office as soon as possible. A child should not return to school until he/she is completely recovered from the illness.

We ask that you be considerate to the other children in the class and do not send your child to school if they are sick or have a fever above 99.9 degrees *. Children should remain home until they are fever free for 24 hours without the use of fever reducing medications. In addition, if a child is vomiting or experiencing diarrhea, they should remain home until they are free of these symptoms for 24 hours. * This is also mentioned on page 9.

Other situations that may be necessary to keep your child home are, but not limited to: a severe or uncontrollable cough, runny nose with severe congestion that interferes with normal activity; purulent conjunctivitis (pink eye) until 24 hours after treatment has started, rash with fever or behavior changes; strep throat or other streptococcal infection until 24 hours after starting antibiotics and fever has subsided; lethargy.

Do not send your child to school if they are ill. Tests, assessments and school work can be made up when they return. Report the absence to the office.

Communicable diseases- when the school becomes aware of a student with a contagious/communicable disease, the school shall notify the parents/ guardians in writing.

Health professionals determine the incubation period for contagious diseases/ conditions. Students excluded from school due to a communicable disease must present a written and signed statement from a physician indicating that the student is non-contagious and may return to school. Questions regarding communicable diseases should be directed to the local health department.

If your child has seen a doctor for an illness and has been diagnosed with a transmittable disease (i.e. conjunctivitis, strep, fifth disease, scarlet fever, etc.) notify the school.

Medications

Parent/guardians have the primary responsibility for the administration of medication to their children. The administration of medication to students during regular school hours and during school related activities is discouraged unless necessary for the critical health and well-being of the student.

It is the policy of this school that school personnel, including teachers, administrators, administrative staff, shall not administer medication to students except as provided in the School Medication Procedures established for the administration of medication.

Compliance with the School Medication Procedures established for the administration of medication is the responsibility of the parent/guardian. **You must have the DOCTOR complete the appropriate form or we will not be able to administer any medication to your child.**

Physical Exams and Immunizations

Section 27-81 of the School Code of Illinois states that each child has a health examination within one year prior to entering school for the first time. The exam must be repeated within one year prior to kindergarten, and upon entering the sixth and ninth grades. The Health Report form must be completed by a physician and returned to school by the first day. The Department of Public Health also requires that each child present proof of immunity against certain diseases.

Dental exams are mandated by the State of Illinois for children entering kindergarten, grade 2 and grade 6. Dental exams for the remaining grade levels are strongly encouraged. Beginning with the 2008 school year, the State of Illinois requires all children beginning kindergarten or first grade for the first time, or children who are transferring into Illinois from out of state, to have a comprehensive eye examination prior to starting school. This examination must be done by an optometrist or ophthalmologist.

HOME/SCHOOL COMMUNICATION

Teacher web pages will be updated regularly and posted online. This will contain information about each grade's important events and activities for that month. In addition, the principal will send home information on a weekly basis. This contains important dates as well as information about all events that are transpiring here at school.

INSPECTION OF ACADEMIC RECORDS

You have the right to look at your child's records maintained in the school file. The school will not disclose anything to third parties from your child's records unless you consent in writing prior to the disclosure. You have the right to request corrections in your child's records if you believe the information is inaccurate.

INSURANCE

Currently no student accident insurance is offered through the school.

INTERNET ACCESS

All students of Divine Providence School will have access to the internet in their classrooms and the computer room. In order to ensure the security of the network and appropriateness of the accessible material, each student and/or student's parent will be required to sign an Acceptable Use Policy. This policy requires that students not access, send, or post pornographic, illegal, obscene, sexually oriented, threatening, or harassing material or information that is damaging to another's reputation.

The school will not post personally identifiable information on a website without written permission. Students are not to add software or websites to the school network hardware. Violations of these policies will result in disciplinary action up to and including expulsion and criminal charges.

LUNCH PROCEDURES

The school provides a hot lunch program through the Archdiocese Hot Lunch Program. Application forms are available to enable a family to qualify for free or reduced priced lunch and/or breakfast. Lunch is ordered on a monthly basis. **Orders must be completed on time to ensure your child will receive lunch during that period.** Notification is sent in advance as to when orders are due. Your cooperation is greatly appreciated. **No fast food is allowed to be brought for a child's lunch- including special lunch days.** Please make sure a child's forgotten lunch is brought to school by the correct lunch time.

MEDICATION ADMINISTRATION

Divine Providence School retains the right to deny requests to administer medication to the student provided that such a denial is indicated on the Medication Authorization Form. If the School denies a request and authorization for the administration of medication, parents/guardians must make other arrangements for the administration of medication to students, such as arranging for medication to be administered before or after school or having the parent/guardian or designee administer the medication in school.

NUISANCES

Articles which may become a nuisance in the school, classroom, or playground must not be brought to school and will be taken from the child by the teacher in charge. Electronic devices should be turned off and kept in the backpack during school hours. **School is not responsible for lost or stolen items.**

PARTIES

Personal:

Because of the feeling of discrimination on the part of children not invited, we ask that no invitations to home parties be handed out in the school or classroom unless all boys/girls in the class have been invited.

School:

Certain holidays may be celebrated with small classroom parties with the permission of the classroom teacher and the principal. These are generally held at the end of the school day. Room mothers and parents planning the party need to confer with the classroom teacher, so the teacher has knowledge of and input into the party activities planned.

PLAYGROUND RULES

1. Students are to show respect for property, other students, and playground supervisors.
2. Fighting, bullying, or name calling will not be tolerated.
3. The safety of all students will determine the activities allowed on the playground.
4. All landscaping materials are to be left intact on the ground. NO THROWING OF STICKS, STONES, OR SNOW WILL BE TOLERATED.
5. STONES, OR SNOW WILL BE TOLERATED.

PRAYER/PLEDGE

Each day is to begin and end with a prayer. After the morning prayer, the Pledge of Allegiance is recited.

PROPERTY OF SCHOOL AND SEARCH

A student will be required to pay for any damage to school property and to books belonging to the school. We reserve the right to inspect all school and personal property brought into the school by students if deemed appropriate and/or necessary.

REPORTING ALLEGATION/SUSPICION OF CHILD ABUSE/NEGLECT

By law the State of Illinois requires school personnel to inform the Department of Children and Family Services of any allegation/suspicion of child abuse/neglect.

REQUEST FOR TEACHERS

Classroom placement for students is professionally determined by teachers and the administration in relation to:

- Equal gender (as close as possible) in each homeroom
- Special academic needs
- Social considerations

Teachers at each grade level follow the same curriculum objectives during the year though teaching styles may vary. Requests for particular teachers will not be considered.

SCHOOL-SPONSORED ACTIVITIES

Plans for all school-sponsored activities **must** have the approval of the principal and/or the appropriate faculty member/s.

SAFETY MEASURES

For practice in evacuating the building in case of fire or disasters, the Archdiocesan regulation requiring fire and tornado drills are followed.

For the protection of students, all school doors will be locked during school hours. Anyone wishing to gain access to the building must ring the bell to the left of the south front door. A monitor and buzzer system is installed in the office.

TELEPHONE

No teacher or student will be called from class to the phone except in the case of an **emergency**. Phone messages to be delivered to children interrupt classes and are discouraged; however, **emergency** messages will be delivered to teachers and students.

Teachers will not leave their classrooms to take phone calls from parents. Return calls will be made by teachers at their earliest convenience. A convenient time to call teachers is 3:10 – 3:30 p.m. at school. The school telephone lines are reserved for school business and emergencies.

VACATIONS

Vacations during the time school is in session are strongly discouraged. Students may miss vital class presentations which cannot be made up, therefore grades may suffer. However, if a child is to miss school because of a family vacation, the school must be notified prior to leaving, and any schoolwork must be made up. Teachers are not expected to plan work ahead for students who take a vacation during school time.

VISITORS/PARENTS

All parents and visitors must report to the school office upon entering the building. NO PARENT OR VISITORS MAY ENTER THE SCHOOL CORRIDORS OR CLASSROOM WITHOUT PERMISSION FROM THE OFFICE. Forgotten lunches or other items should be left at the office, marked with the child's name and grade. For the safety of the students we ask that parents/visitors not open the doors for other visitors. Any individual entering the building must be allowed entrance by the school office or school personnel only.

VOLUNTEER/ CHAPERONE GUIDELINES

Prior to a field trip, the lead teacher will provide you with information regarding the trip, expectations for supervising students, and emergency procedures. The following general guidelines will help you perform your duties as a chaperone.

1. School rules apply on school-sponsored events. Chaperones are expected to comply with school policies, follow the directions given by the school's lead teacher, work cooperatively with other staff and volunteers, and model appropriate behaviors for students. Chaperones are responsible for student behavior, but it is the responsibility of the teacher to discipline a student.
2. Chaperones will be assigned to a specific position and group of students on a school trip or activity. Due to the need for close supervision of participating students, no other children (infants, non-school siblings, visitors, relatives or friends) will be permitted on the field trips. The focus of the chaperone must be on active supervision of her/his group of students at all times. As a chaperone, you will focus on and be responsible for a small group of students, helping them learn and making sure they behave appropriately at all times. *"If you can't see the student, you are not supervising!"*
3. Students must stay with you at all times. Go over the buddy system with students in your care. Account for your group regularly and before moving to new activities. ***Count, count, count throughout the day!***
4. Be sure you know when and where to meet the rest of the school group at the end of the day. Be readily available, be mindful of safety concerns and respond to student needs. Follow the directions of the lead teacher. Do not use your cell phone for non-emergency or non-trip related purposes. It is not acceptable for outside work or reading to be completed while you are supervising students.
5. Student behavior is your responsibility. School rules related to student behavior apply. Go over rules and standards of behavior, safety rules, and any site-specific rules with students. Do not permit students to get involved in any extra activities not

- pre-approved by administrators and parents, such as purchasing anything for students without the teacher's permission.
6. Eating and drinking are not permitted outside of designated areas and predetermined times.
 7. For the protection of both, the student and the chaperone should not place themselves in situations in which they are alone with a student.
 8. In order to comply with school policy, chaperones may not
 - use, sell, provide, possess or be under the influence of drugs or alcohol.
 - use tobacco or tobacco products in the presence of, or within the sight of, students.
 - possess any weapon or firearm.
 - administer any medication, prescription or nonprescription, to students.
 9. Questions regarding these guidelines should be directed to the principal or the teacher.

PRINCIPAL'S RIGHT TO AMEND PARENT/STUDENT HANDBOOK

Statements in this handbook are subject to amendment with or without notice. The school will keep the parent/guardian informed of all changes as soon as possible. Some changes may be made immediately due to unforeseen circumstances.

RE: Notification Letter Concerning Asbestos
Content & Management Plan for Your School

In 1986, Congress passed the Asbestos Hazard Emergency Response Act. (AHERA). That law requires all schools, kindergarten through twelfth grade, to be inspected and identify and asbestos-containing building materials. The law further requires the development of a Management Plan, based upon the findings of the inspection, which outlines our intent in controlling the potential for exposure to asbestos fibers in our schools.

In the past, asbestos was used extensively in building materials because of its insulating and fire retarding capabilities. Virtually any building built before the late 1970's contains at least some asbestos in pipe insulation and structural fireproofing. We too have buildings that contain asbestos material. The primary concerns arise when these materials begin to deteriorate or become damage.

The school has been inspected and some asbestos containing materials were identified in your building. The materials are distributed in various locations and include floor tile, pipe insulation and mechanical areas **not readily accessible to building occupants or students.**

Your school's Inspection Report and Management Plan outlines in detail the methods used to maintain the materials in a safe manner. In addition, as required by law, appropriate school staff members have been trained to administer this program.

A copy of the inspection report and the management plan is on file at your local school office for review if you so desire.

If you have any questions or concerns, please contact me in the school office.

Sincerely,

Mrs. LeTourneau

Principal
