

## Rainy Day Morning Drop-Off

On days when it is raining the cones will not be set up. That is the sign for Rainy Day Morning Drop-Off.

Cars will snake through the parking lot like usual. Rather than continue the line to the Saint Maria Center and around, we will form a single file line in front of the building. All cars should pull forward to the Peace and Justice garage. Parents should wait for the teachers on duty to come outside before releasing their children. **For safety reasons, please do NOT let children out of your car until you have pulled up to the breezeway area between the Holy Family Life Center and the School Building.** Please see the attached map.
