Each of these performances will speak to you through the international language of music.

Since its inception in 1983, Concerts on Carter Creek's mission has been to bring fine music to the community as an outreach ministry of First Presbyterian Church of Bryan. It has become a local showcase for professional performers to share their diverse talents through instrumental or vocal music in the acoustically outstanding sanctuary. In keeping with the mission of Concerts on Carter Creek, all of our programs are offered free of charge to the public, with childcare provided by the church. Our sanctuary is wheelchair accessible, making it audience-friendly for all.
