SEEKERS CLASS

ROOM 101 (CHURCH PARLOR)
9:20AM

Seekers encourage open discussion as they "seek" understanding, knowledge and fellowship while studying together. Beginning November 28 and continuing through Advent, they study Matt Rawle's *The Heart That Grew Three Sizes (Finding Faith in the Story of the Grinch)*. Rawle is Lead Pastor at Asbury United Methodist Church in Bossier City, LA. Rediscover the gift of Advent that comes without packages, ribbons, and bows. We don't know why the Grinch hated Christmas. We just know he did. In this new advent study, Rawle explores the faith theme in the Christmas classic, *How the Grinch Stole Christmas!* including, how did the Grinch's heart grow three sizes come Christmas morning? How did Christmas save the Grinch? Could it be

that the very thing we think we hate is the one that changes our lives? This class shares, studies, prays, socializes, and cares for each other and others.

Class coordinator is Cheryl Page.

THE WORD CLASS

ROOM 303
9:20AM

The Word Class incorporates Christian-authored books and accompanying videos in studying God's word and its applicability in our daily lives. Beginning, September 19, the class is studying Max Lucado's *Jesus: The God Who Knows Your Name*. Do you ever feel like Jesus couldn't possibly know what you are going through? God's the God of the universe after all! Does he really know your daily struggles? The good news is: God does. This book describes both the person Jesus was on earth and how to live in a personal relationship with God and is divided into six sections: Immanuel, Friend, Teacher, Miracle Worker, Lamb of God, and Returning King. This book gives readers the chance to become more familiar with the man at the center of the greatest story ever told. All are welcome as we pray, play, learn, work and care for one another. Class members enjoy lively open dialogues and gain from learning and studying together.

Glenn Mathews teaches the class.

Youth curriculum, **The Bible Project**, helps learners experience the Bible in a way that is approachable, engaging, and transformative by showcasing the literary art of the Scriptures and tracing the themes found in them from beginning to end.
