Walking the labyrinth reminds us of a prayer pilgrimage and helps us as we seek God in contemplation.

This Lent, FPC offers a unique opportunity for you to walk a labyrinth, an ancient tool for prayer and meditation, consisting of a winding path that begins at the periphery and leads to a central space, and then out again by the same path. In Christian practice, the labyrinth is designed to provide inner space for listening to God as a tool for prayer. John Calvin wrote that "prayer is properly understood as an emotion of the heart within, which is poured out and laid open before God, the searcher of hearts." [*Institutes, III. xx. 29*]
