SEEKERS CLASS Room 101 (Church Parlor)

Seekers encourage open discussion as they "seek" understanding, knowledge and fellowship while studying together. The class is studying John Ortberg's, *The Life You Always Wanted*. This study offers modern perspectives on the ancient path of the spiritual disciplines. But it is more than just a book about things to do to be a good Christian. It's a road map toward true transformation that starts not with the individual but with the person at the journey's end--Jesus Christ. This class shares, studies, prays, socializes, and cares for each other and others.

Class coordinator is Cheryl Page.

THE WORD CLASS Room 303

The class is studying Adam Hamilton's *The Walk: Five Essential Practices of the Christian Walk* which focuses on five essential spiritual practices that are rooted in Jesus' own walk with God and taught throughout the New Testament. Together, we'll explore **worship, study, serving, giving, and bearing witness to our faith** as part of our daily walk with Christ and as an essential part of growing together in the church of. All are welcome as we pray, play, learn, work and care for one another. Class members enjoy lively open dialogues and gain from learning and studying together.

YOUNG ADULTS CLASS Church Library

YOUTH & CHILDREN

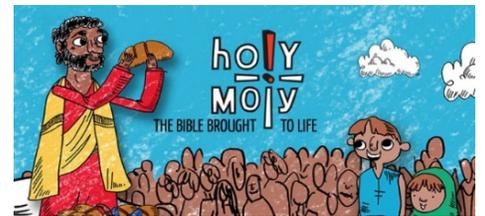

GRADES 6-12 Room 403

Youth curriculum, **The Bible Project**, helps learners experience the Bible in a way that is approachable, engaging, and transformative by showcasing the literary art of the Scriptures and tracing the themes found in them from beginning to end. Rather than taking the stance of a specific tradition or denomination, these materials elevate the Bible for all people and draw our eyes to its unified message.
