## IMPORTANT MESSAGE REGARDING STEP UP FOR STUDENTS SCHOLARSHIPS

Due to an overwhelming number of applications this year, Step Up for Students closed registrations, as of last Friday. Families who are pending “may” still be considered for a scholarship, if some of those that have been awarded have not registered with a school.

IF YOU HAVE A PENDING SCHOLARSHIP, or still had documents to submit, you may want to apply to AAA Scholarships right away. AAA does have some funding left, but will be closing registrations on JULY 6<sup>th</sup>. There is no charge to apply with AAA Scholarships, and they pay the same as Step Up for Students.

If you are still waiting for a scholarship for 2018-2019, DO NOT DELAY, and submit you AAA application this week.
