St. Joseph Catholic School
Parent Volunteer Form 2017 - 2018
DUE BY April 27, 2018

Thank you for volunteering your time in support of the programs and activities of Saint Joseph Catholic School. Community ties at school are strengthened by parents working together to make our school the best that it can be for our students and families. Your volunteer service hours also defray some school operating costs.

Parents' positive participation in the life of St. Joseph Catholic School sends a strong message to our children about your family's commitment to education and the community.

There are many ways to get involved at our school: assisting in the classroom, chaperoning field trips, serving on the various boards and committees, and participating in events and activities. We also encourage our families to volunteer and support our major fundraising activities. Please watch for volunteer opportunities throughout the school year.

Volunteers bring ideas, energy and expertise, and are an essential part of what makes our school great.
