### **Pray For The Disease To Stop Spreading.**

*Almighty God, we know that everything is in Your sovereign control.  
We ask that You keep this new coronavirus from continuing to spread.  
Give government officials the ability to safely handle people arriving  
from other countries.*

*Help people decide to stay home instead  
of traveling or going out needlessly.*

*Holy Spirit, remind people to wash their hands properly.  
And while it may be heartbreaking, comfort families as they decide  
to keep their distance from elderly or other high-risk family members.*
