Questions to ask your kids instead of "How was your day?"

1. What happened today that would make God smile?
2. What act of mercy did you notice today? (Maybe you even performed it!)
3. Where did you notice God at work in your life today?
4. If you could have inserted one saint into your day, who would it have been and when?
5. When did your guardian angel grimace today?
6. Tell me about something you witnessed today that proves that God loves you.
7. Who needs us to pray for them tonight?
8. When were you Jesus to someone else today?

Prayers For Healing Of The Coronavirus

Our Father, we trustingly pray to you,
asking that the coronavirus may do no more harm,
that the epidemic may be swiftly gotten under control,
and that you restore the health of those affected
and peace to the places where the virus has arrived.

Welcome into your kingdom

the people who have died from this illness, and comfort their families.

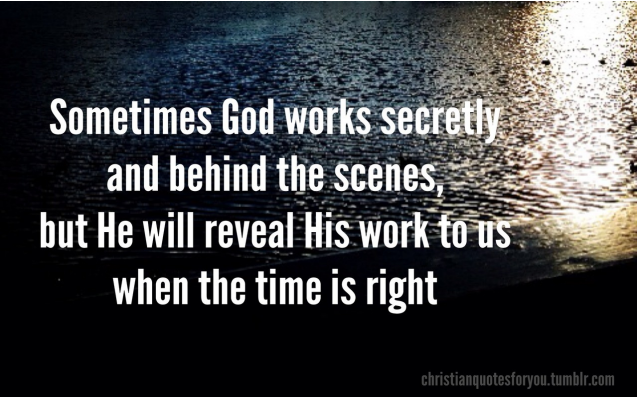

Sustain and protect the healthcare personnel who are fighting it,
and inspire and bless those working to control it.

Lord Jesus, doctor of our bodies and souls,
we feel helpless in the face of this international health emergency,
but we trust in You.

Give us peace and health.

Mother Mary, protect us and continue to take care of us,
and lead us through your love to your Son, Jesus. *Amen.*

Sometimes God works secretly
and behind the scenes,
but He will reveal His work to us
when the time is right
