**Let Daily Prayers Dissolve Your Cares**

**We all have cares and problems we cannot solve alone.  
But if we go to God in prayer, we are never on "our own".  
And if we try to stand alone, we are weak and we will fall.  
For God is always Greatest when we're helpless, lost, and small.  
And no day is unmeetable if on rising our first thought  
Is to thank God for the Blessings that His loving care has brought.  
For there can be no failures or hopeless, unsaved sinners.  
If we enlist the help of God who makes all losers winners.  
So meet Him in the morning and go with Him through the day.  
And thank Him for His guidance each evening when your pray.  
And if you follow faithfully this daily way to pray  
You will never in your lifetime face another "hopeless day",  
For like a soaring eagle you too can rise above  
The "storms of life" around you on the wings of prayer and love.**
