5. Also, roll out of the *RC Statutes* and the *Lay Rule of Life*
 - The Locality Team will provide a clear plan and schedule for a study circle which we expect to give you at our January 11th formation day.
 - This study will use a combination of the actual *Statute* and *Lay Rule* documents as well as Fr. John Bartunek's essay, *What is Regnum Christi* (which gives an overview of RC, the new statutes, and touches on the lay rule.
 - A more in-depth study of the *Rule of Life* is expected early next year and will likely be included in the *RC Formation Pathway*.
 - This will really be great for both new and more seasoned members.
 - Lisa has offered to meet with teams to get them started on this.

6. Vocation Promotion Week:
Laura Carter will talk about vocation promotion week beginning November 3-10.

7. Save these dates for future meetings: Jan. 11, 2020 and April 4th, 2020.
