OPENING PRAYER

GOSPEL REFLECTION

Personal Lights from Gospel: *After an appropriate period of reflection, members are invited by the Team leader to share their own lights from the Holy Spirit in relation to this Gospel passage. The source of the Gospel Reflection is Lectio Divina, (which literally means “divine reading”). For this reason, this is not a discussion and we do not comment on others’ lights.*

CASE STUDIES

Case chosen: _____

LOOK WITH EYES OF FAITH:

Begin with “All things work for good for those who love the Lord.” – Romans 8:28

Examine the case (the person who case it is elaborates)

- The case study and similar cases stay ANONYMOUS.

JUDGE WITH A HEART WILLING TO BE CHANGED:

When we look at life through our own eyes, we are limited by our experiences. This case invites you to look through God’s eyes, seeking truth, beauty and goodness. (The Voices of God)

Analyze this case using Gospel Parallels, Virtues/Vices, Aspects of RC spirituality etc.

- What examples from this case reveal the Holy Spirit working as the protagonist?
- What signs of good and/or evil do you see? (Virtues/Vices)
- What Gospel(s) resonate in your heart?
- Are there any aspects of Regnum Christi Spirituality at work?
- Possible Similar Cases

Similar Cases pas from the particular “situational” to the universal “focused on the virtues.”

ACT ADOPTING CHRIST’S ATTITUDE AND ACTIONS AS YOU OWN:

1. Personal Lights: How did this case bring about a transformation in you? What is God inviting you to do personally through this case?
2. Team Resolution: How can we collaborate with God in His work of making the Kingdom grow?

Members propose resolutions, based on the case. The team determines one team apostolic resolution for the week ahead. Apostolic resolutions should be **both contemplative (prayer) and evangelizing (action)** and have the goal of impacting the world. They should be concrete, so that one can objectively measure their fulfillment.
