

ARCHDIOCESE OF PORTLAND IN OREGON

MEMORANDUM

DATE: August 6, 2015

TO: File

FROM: David Hodgin

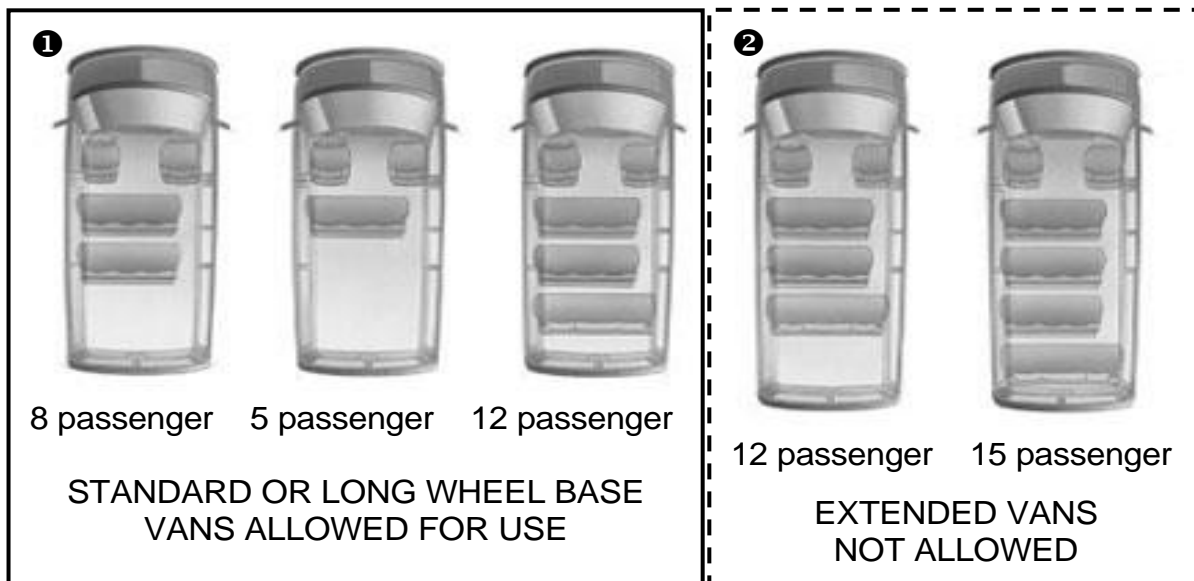

RE: Standard, Long Wheel Base and Extended Vans

This updated memo is to assist with the identification of vans allowed for use by locations insured under the Archdiocesan Insurance Program.

Some 12 passenger vans are actually 15 passenger, extended vans, with the rear seat removed as identified in diagram ②. These are considered "15 PASSENGER VANS" and are not allowed.

12 passenger standard, or long wheel base, vans are identified in diagram ①.

See page 2 for side view comparison photos.

If you have any questions about vans, please contact the Risk Management Office at (503) 233-8360

12-15 Passenger Van – Side View Comparison

Side view of a long wheel base van – Allowed

Side view of an extended van – Not Allowed

Side view of an early model extended van – Not Allowed
