

TRAIN THE TRAINER

Training Schedule 2020-2021

Currently, there are no trainings scheduled for new trainers of child protection, commonly known as “Train the Trainer” trainings in our community. This training is given by the Child Protection Office for volunteers or staff who will be Child Protection Trainers in their church and/or school. Child Protection training includes group trainings for adult volunteers, youth and children.

Unfortunately, due to the strict guidelines in Multnomah County to maintain distance for safety from Covid-19 the Pastoral Center is not hosting these trainings at the Pastoral Center and have not scheduled these virtually.

Please check back here for updates or contact our office. Feel free to also contact our office if you would like to have your information saved for future trainings.
