### Old Business:

Donuts with Santa was a great success again this year. Santa did a fabulous job as always. Michelle Popson presented a Advent program and a with the older students created super crafts for the children. Need to stress that the program is for the entire parish not just Faith Formation Classes. Everyone loved the stage and what Michelle did to make it look so cozy and real.

We need more donuts: suggestion of 8 dozen donuts and then donuts holes to equal 10 dozen plus. Little children can handle the donuts holes better. May only need 2 gallons of milk and 3 gallons of orange juice. We plan to do this active again next year the Sunday before Christmas. A special thanks to all who helped with the Donuts with Santa.

### New Business:

Discussion of the Palm Sunday Breakfast to be held on March 20th from 9:00AM till 11:00 AM.

We will serve Egg Casserole, French Toast Casserole, Oatmeal,Donuts,Ham, and Fruit . We may need to order paper plates and cups will ask Gayle to check the inventory. Will ask Connie Mefford if she will contact Meijers about the Hams. Loren will do the Palm Crosses for the guest at the breakfast. Looking for at least 12 helpers for the breakfast. Jamie is doing a flyer for the Faith Formation Classes about the Palm Sunday breakfast. Loren asked that we put a note in the bulletin about all the things Ladies Day Out does for the church and community.

Craft project taught by Loren Grahek. She did a great job and the Valentine's look fabulous.
