Looking to reschedule the retreat at a later date.

St. Anne's Yard Sale Trisha Banet has agreed to step up and run the sale on May 27, 2017. Discussed and decided to ask Trisha, " to ask the man who picks up the left over items from the ,sale to send us a receipt for the items picked up." A letter head "Thank You for the donations to St. Anne's Yard Sale." So people will know where left over items go after the yard sale.

Trisha is taking care of the church bulletin and Jamie is doing the Banner Gazette.

People can start putting items in the garage the 1st of May and Jamie is putting signs on the garage so people will know which garage to use.

Discussed the way to use the money earned from the Yard Sale. We want to help the Faith Formation Program and the Youth Group. Lowering the cost for Faith Formation, supplies and offering scholarships.

Sandy motioned " Money from the Yard Sale go to scholarship fund to bring tuition cost down for each family." Seconded by Rose. Motion carried.

Discussion about the Prayer Blankets and Shawls in the back of church. Jamie is making a card for the items. Also asking If you know someone not doing well we need to check on them.

Connie showed the Prayer Blanket used at St. Mary's of the Knobs. We do not want people to feel there are always items if they need them and we want to pray for people if they so desire prayers.
