Of importance, the main purpose of the religious center is the preservation of documented diocesan sacramental records, and the most frequent service of the archives is the issuance of certified copies of the certificates. The facility also has a vast collection of published religious historical events, a research room, and artifacts and other memorabilia relative to Catholicism history. The archival building accommodates individuals seeking information pertaining to these pertinent records. Informatively, the staff consists of the Archivist, Administrator, Computer Operator and dedicated individuals who give their time and talent to benefit the center. Please note, the cost of uncertified copies of Baptisms, Marriages and Funeral certificates is \$3.00 and certified copies cost \$6.00. Come and see us. The staff is looking forward to your visit! The office hours are from 8:00am to 4:00pm on Monday, Tuesday and Thursday.
