

Job Vacancy: Junior High Math

Qualifications: Applicants must be certified to teach junior high math; must have proficiency and effective classroom management skills; must have commitment to continued professional development.

Working Environment:

- A. The school is a ministry of the Catholic Church. The employees are expected to be role models both at school and away from school and must convey and be supportive of Catholic Church teachings, including but not limited to, the dignity of each human life from conception to natural death and the belief that sexual relations should only occur within marriage as a sign of God's love and fidelity to His Church. A thorough description of Catholic Church teachings can be found in the *Catechism of the Catholic Church*.
- B. While it is not a requirement for the position to be a practicing Catholic, there remains an expectation that all employees, regardless of their personal religious affiliation, will become knowledgeable of Catholic Church teachings, be creditable witness to the Catholic faith, and model Christian values.
