Our Lady of the Chesapeake Parish Year in Review

July 1, 2019 to June 30, 2020

Dear Parishioners and Friends,

Please find a review of the financial results for Our Lady of the Chesapeake Parish for the 2020 Fiscal Year. Also included is the budget for Fiscal Year 2021, which began on July 1, 2020 and ends on June 30, 2021. I thank you for your generous support to OLC throughout the year, which has helped us to eliminate our operating deficit from last year to this year! This is the first time in six years OLC has ended the Fiscal Year with a surplus, although we still owe over \$220,000 to the Archdiocese in past due debt. I would like to highlight some of the events and details from this past fiscal year.

As we are all aware, this year has been a most challenging one with the start of the COVID-19 pandemic in March. Due to these challenges, OLC's total Offertory Income, including our Evangelization collection, decreased 4.5% from the prior fiscal year (\$743,159 vs. \$778,243). Total Income decreased \$83,268 or by 8.2%, attributed to a decrease in Parish Fundraising income and Evangelization Income. The Finance Committee does not foresee any improvements in these numbers at this time.

OLC's parishioners have responded well to GiveCentral, our online giving platform. GiveCentral allows you to schedule your giving so that it remains consistent throughout the year, but is still able to be changed at your discretion. Reminder emails are sent prior to your gifts being processed. Income received through GiveCentral increased 19.3% from \$197,214 to \$235,325 or 25.4% of total income (not counting tuition payments.) Please consider signing up for GiveCentral at www.givecentral.org and search for OLC by our parish name or zip code. Also if you are already signed up for GiveCentral, you may still need to update your END DATES for your giving so that it does not expire on 12/31/2020. To do this, just log into your GiveCentral account and change the END DATES from 12/31/2020 to ONGOING. Thanks!

OLC has also managed to reduce our expenses over the past year. Total Expenses went from \$1,030,859 in Fiscal Year 2019 to \$868,447 in Fiscal Year 2020, a decrease of 15.8%. Decreased spending was experienced across the board including Facilities, Administration, and Salaries/Benefits. In addition, OLC did not incur any additional debt during Fiscal Year 2020. All of our bills for the Fiscal Year 2020 were paid in full!

Thank you for your generous support of time, talent and treasure to OLC over the past year as we make disciples for Jesus Christ. Please continue to keep Our Lady of the Chesapeake Parish in your prayers.

God Bless,
Fr. Steve
