25th Sunday in Ordinary Time, Year B, 25° Domingo del Tiempo Ordinario, el año B del Evangelio de San Marcus September/Septiembre 22/23, 2018

From Deacon John...

Jesus asks about the disciples argument. They were silent. In response, Jesus teaches that those who would be first in God's kingdom must be servants of all. He then teaches to receive a child in his name is to receive both he and the Father. In first-century Palestine, children were without status, possessing no rights and having little value because of their fragility. Jesus is teaching that when we serve the least among us, we serve Jesus himself and that God's judgment of us will be based on this criterion alone.

Jesús pregunta sobre el argumento que tenían los discípulos. Estaban en silencio. En respuesta, Jesús enseña que aquellos que serían los primeros en el reino de Dios deben ser siervos de todos. Luego enseña que recibir un niño en su nombre es recibir tanto a él como a Aquel que lo envió. En la Palestina del primer siglo, los niños carecían de estatus, no tenían derechos y tenían poco valor debido a su fragilidad. Jesús está enseñando que cuando servimos a los más pequeños entre nosotros, servimos a Jesús mismo y que el juicio de Dios sobre nosotros se basará solamente en este criterio.

Question of the Week

25th Sunday – Mark 9:30-37

Key Passage:

They had been discussing along the way who was the greatest. Then Jesus sat down, called the Twelve, and said to them, "If anyone wishes to be first, they shall be the last of all and the servant of all."

Question for adults:

What does "servant leadership" mean in your life? How do you practice it? Do your friends and neighbors have a similar opinion of your actions?

Question for children:

How do you help within your family? What else could you do?

Pregunta de la Semana

25° Domingo-- Marcos 9:30-37

Pasaje Crucial:

Pero ellos se quedaron callados, porque en el camino habían discutido sobre quién de ellos era el más importante. Entonces Jesús se sentó, llamó a los Doce y les dijo: "Si alguno quiere ser el primero, que sea el último de todos y el servidor de todos".

Pregunta para los adultos:

¿Qué significa "liderazgo de servicio" en tu vida? ¿Cómo lo practicas? ¿Tus amigos y vecinos tienen una opinión similar sobre tus acciones?

Pregunta para los niños:

¿Cómo ayudas dentro de tu familia? ¿Qué más puedes hacer?

USCCB Statement on Sex Abuse Scandals; Committee Releases Actions to be Taken Within Its Authority

By Editor, USCCB News, September 19, 2018

WASHINGTON--The U.S. Conference of Catholic Bishops' (USCCB) Administrative Committee has issued the following statement in response to the recent sex abuse scandals.

Some bishops, by their actions or their failures to act, have caused great harm to both individuals and the Church as a whole. They have used their authority and power to manipulate and sexually abuse others. They have allowed the fear of scandal to replace genuine concern and care for those who have been victimized by abusers. For this, we again ask forgiveness from both the Lord and those who have been harmed. Turning to the Lord for strength, we must and will do better.

1. Approved the establishment of a third-party reporting system that will receive confidentially, by phone and online, complaints of sexual abuse of minors by a bishop and sexual harassment of or sexual misconduct with adults by a bishop and will direct those complaints to the appropriate ecclesiastical authority and, as required by applicable law, to civil authorities.

2. Instructed the USCCB Committee on Canonical Affairs and Church Governance to develop proposals for policies addressing restrictions on

bishops who were removed or resigned because of allegations of sexual abuse of minors or sexual harassment of or misconduct with adults, including seminarians and priests.

3. Initiated the process of developing a Code of Conduct for bishops regarding the sexual abuse of a minor; sexual harassment of or sexual misconduct with an adult; or negligence in the exercise of his office related to such cases.

4. Supported a full investigation into the situation surrounding Archbishop McCarrick, including his alleged assaults on minors, priests, and seminarians, as well any responses made to those allegations. Such an investigation should rely upon lay experts in relevant fields, such as law enforcement and social services.

This is only a beginning. Consultation with a broad range of concerned parents, experts, and other laity along with clergy and religious will yield additional, specific measures to be taken to repair the scandal and restore justice. We humbly welcome and are grateful for the assistance of the whole people of God in holding us accountable.

As these initiatives get underway, the Administrative Committee invites each of our brother bishops to join us

(Statement continued) in acts of prayer and penance. This is a time of deep examination of conscience for each bishop. We cannot content ourselves that our response to sexual assault within the Church has been sufficient. Scripture must be our guide, "be doers of the word and not hearers only".

In all of this, we do not want anyone to lose sight of those who have suffered from those who have acted or failed to act as the Gospel demanded. For survivors of sexual abuse, these days may re-open deep wounds. Support is available from the Church and within the community. Victims Assistance Coordinators are available in every diocese to help you find resources. We are grateful to hundreds of dedicated people who, since the adoption of the 2002 Charter for the Protection of Children and Young People, have been working with the Church to support survivors and prevent future abuse.

To anyone who has been abused, never hesitate to also contact local law enforcement. If you don't feel comfortable for any reason with the Church providing help, your diocese can connect you with appropriate community services. With compassion and without judgement, the bishops of the United States pledge to heal and protect with every bit of the strength God provides us.
