

DRESS CODE FOR CONFIRMATION

Please remember that appropriate attire when attending Mass or receiving a Sacrament reflects our reverence and respect for the Holy Trinity. As a Catholic institution, we are responsible for setting standards that reflect our mission and our identity as disciples of Jesus Christ. The following guidelines are reminders of our expectations of all Candidates approaching the Bishop and presenting themselves before God. If a Candidate arrives for Confirmation and is inappropriately dressed, he/she will be given the opportunity to address the issue. Parents are asked to monitor this situation so no Candidate suffers the embarrassment of having to correct their dress.

Young Ladies: Dresses should not expose the midriff section, nor be strapless, and the chest and shoulders must be covered (sweaters, jackets or shrugs). The dress should be no more than three inches above the knee. Hair should be neatly groomed. No excessive jewelry or make-up should be worn.

Young Gentlemen: Dress pants and dress shirts with a tie. Suit jackets are recommended but not required. Dress shoes are requested. No tennis shoes should be worn for this occasion. Hair should be neatly groomed. No excessive jewelry should be worn.

Your signature on this form is requested to confirm your review and intent to follow these requirements. Thank you for your assurance that the sacredness of this occasion is respectfully enhanced by a sense of modesty.

Cut and Return to PSR Office.
