The Archdiocese has identified specific criteria that children should know before receiving this beautiful Sacrament. These classes will work through material to prepare the kiddos to pass the sacramental interview.

The Augustine Institute has released a workbook that was specifically designed to address the Archdiocese of Denver’s Restored Order of the Sacraments. This workbook will guide children through the theology of the Catholic Church and her belief in this sacrament that Jesus Himself deliberately instituted for our salvation. Children will learn how Jesus passed on this sacrament to his disciples, which then bestowed their authority on down throughout the millennia to all Catholic priests via apostolic succession. The classroom lesson plans are still being finalized, but provided below is an overall schedule for your reference.
