

# SAINT JOHN VIANNEY

God's Loving Light Shines Through Us and Our Actions

March 22, 2020

Dear Parents and Guardians,

What's the old saying? "The best laid plans of mice and men often go awry." So here we are, being told to stay home and stay off the roads. Just this past Friday, I sent home a letter telling you all that the school office would remain open on Monday, Wednesday, and Friday of the week beginning March 23. Unfortunately, due to Governor Murphy's latest order, we will be unable to be in the school building until further notice. Should you need us, you may leave a message, and we will get back to you as soon as we are able. In addition, you are always welcome to email faculty and administration, as well as our wonderful office staff.

I will be contacting the State Office of Emergency Management in order to determine whether we will be able to gain access to the office at some point, and whether we are considered "essential" to the community. Should I be informed that I am able to travel, I will again open the office, just in case anyone needs to gain access. Unfortunately, until then, we will remain closed.

It is our sincere hope that you are all staying healthy, engaging in our virtual classes, and exercising caution during this unprecedented event in our nation's history. I know how frustrating it is to have your activity limited; we're certainly each feeling that same frustration. However, I can only echo the governor in encouraging everyone to practice social distancing so that we may return to "normal" as soon as possible. Our prayers are with all of those affected by this health crisis. May they and their families find peace in their faith and know that our thoughts are with them.

Be safe, be careful, and be kind. We miss you all terribly, and are hoping that we will be able to be together again soon.

In God's Love,

*Nancy K. Tannucilli*
