Re: Yearbook Messages to the Graduates of the Class of 2021

The SJV Yearbook Committee is accepting messages to be published in our 2020-2021 School Yearbook. It is a great way for family and friends to honor an 8th grade graduate individually or the Class of 2021 as a whole. The price is \$3.00 per message. Cash or Venmo only please.

Please use the form below to write your message and return it with your payment to Kelly Trotzinka c/o Benjamin Sachewicz 8A by Friday, March 5th.

If you would prefer to email your message, please send to HSAGrade8@sjvs.net with the subject line "Yearbook Message". In the email, please include the name of the graduate the message is to, who it is from and the actual message. If you would like to pay via VENMO, please send to @Kelly-Trotzinka with the graduation cap emoji.

We thank you in advance for supporting our school yearbook and our 8th Grade Graduating Class of 2021!
