NEW MASS TIMES

This weekend marks the beginning of the new Mass times for Sundays (Saturdays remain 5PM)

Our new SUNDAY Mass Times are:

8 AM 10 AM NOON

It is because of the incredible attendance of our parishioners that we have had to not only add a third Mass to our Sunday schedule, but have also had to turn many families away once we have reached our capacity.

We hope that with our added NOON Mass on Sundays, we will be able to safely welcome more of our returning and new parishioners to our great worshipping community!

POPE'S PRAYER INTENTION

In his prayer intention for the month of September, Pope Francis calls us to pray that the planet's resources will be shared wisely: *We are squeezing out the planet's goods. Squeezing them out, as if the earth were an orange. Countries and businesses from the global north have enriched themselves by exploiting the natural resources of the south, creating an "ecological debt." Who is going to pay this debt? In addition, this "ecological debt" is increased when multinationals do abroad what they would never be allowed to do in their own countries. It's outrageous. Today, not tomorrow; today, we have to take care of Creation responsibly. Let us pray that the planet's resources will not be plundered, but shared in a just and respectful manner. No to plundering; yes to sharing.* - Pope Francis, September 2020

THANK YOU FROM SEMINARIAN WILLIAM

If you missed it, last weekend was our final opportunity to thank Seminarian William for his presence with us. William asked us to pass the following along to you:

"To everyone at St. Anthony Daniel Parish. Thank you for your kind words, thoughtful cards and your generosity on my last weekend with you.

I am very grateful for the opportunity I have had to meet so many of you and I will keep you in my prayers as I begin my theological studies in Rome. God bless you all! "

- *Will*
