UPDATING NEEDED FOR SCHOOL & POOL: It has come to my attention that our Grade School & Swimming Pool need to be updated. If we do not take care of our youth, we will die as a community & as a parish. Our grade school is 50 years old, and with a new building it would provide two storm shelters, secured entries, ADA compliant/updates, upgrades to HVAC/Electrical and playground & parking upgrades. **Please vote on NOVEMBER 7th!**

Also, if you are not aware, the city has decided to close our local pool, because it needs a tremendous amount of repair, and we need to subsidize this for our kids sake. They not only need a place to hang out in the hot summer afternoons, but also vital swim lessons in order to be safe throughout their lives. After talking with parents and grandparents who have lost little ones due to drowning, I know first hand how important this is. Please take time to get involved and to do what you can for our community ~ please let city council members know how important this is!

Thank you ~ Fr. John
