A leper came to Jesus and kneeling down begged him and said, “If you wish, you can make me clean.” Moved with pity, he stretched out his hand, touched him, and said to him, “I do will it. Be made clean.”

Penitential Disciplines of Lent

“The Christian faithful, during Lent, are clearly conscious of the need to turn the mind towards those realities which really count, which require Gospel commitment and integrity of life which, through self denial of those things which are superfluous, are translated into good works and solidarity with the poor and needy” (Directory on Popular Piety and the Liturgy, #125).

1. Everyone 14 years of age or over is bound to abstain from meat on Ash Wednesday and all the Fridays of Lent.

2. Everyone 18 years of age and under 59 years of age is bound to fast on Ash Wednesday and Good Friday. (The obligation of fasting ceases with the celebration of one’s 59th birthday.)

3. Fasting on Ash Wednesday and Good Friday means eating only one full, meatless meal. Two other smaller, meatless meals, sufficient to maintain strength, may be taken according to each one’s needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices, are allowed. When health or ability to work would be seriously affected, the law does not oblige.

4. Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

BRING PALMS FOR ASH WEDNESDAY

Lent is just days away. So, it is time to bring last year’s palms to be burned and turned into the ashes that will mark our foreheads with the cross.

A BASKET WILL BE IN THE NARTHEX FOR YOUR DRIED PALMS ON FEBRUARY 10 & 11.
The Greater Glory of God
In the gospel today, a leper comes to Jesus and says a remarkable thing: “If you wish, you can make me clean.” But perhaps even more remarkable is Jesus’ response: “I do will it.” Mark tells us Jesus was moved by the encounter with the man and immediately cured his leprosy.

In the spiritual life, it’s a scene that gives us great hope. When Jesus’ will matches what we’re hoping for in our own life, it leads to fulfillment and happiness. What’s also important is that what we wish for from God isn’t for selfish reasons, but like we hear Paul talk about in the second reading, that we do everything for the greater glory of God. (1 COR 10:31) It’s a spirituality that St. Ignatius lived and his Jesuits still live.

Even though Jesus told the leper not to tell anyone about what happened, the leper couldn’t help himself. He told everyone he could about being cured. The leper’s desire wasn’t an internal desire to promote himself; it was his sincere desire to tell the world about Jesus and God’s great compassion for him. The glory was God’s, not his own.

That’s the difference. When our desire to do God’s will matches His desire for us, deep down we’ll find what we truly need. And it won’t only be ourselves who benefit, but all those we’re so blessed to be with in life. And the glory will be God’s.

2020 Vision: Thank You for Your Input!
Thank you to everyone who took the time to look at the visioning plan we’ve been exploring. It’s meant to tackle some needed projects that could take us into the 2020s. And we’re also appreciative for those who offered your input this weekend through the survey.

It was very important to our parish leadership to have as much input as possible in determining where to go from here. Based on the feedback we receive, we’ll be able to make any necessary adjustments and report back to you about what’s next. In case you haven’t had a chance to review the plan we’ve been contemplating, we included it again on pages 6 and 7. You can also access it on our website.

I’m also grateful to everyone who has been praying for our parish so that this process is anchored in Christ, the One who leads us. We need to do everything we do as a parish in the context of prayer so that God’s wisdom will lead us to understanding and clarity…and the insight to know we are working for the good of all of us together.

Lent is on the Way!
As you make your way through the bulletin, be sure to see what we’ve planned for Lent. There are a lot of opportunities for spiritual growth and enrichment. Please join us this Wednesday as we mark our foreheads with ashes and prepare for the season. Masses will be at 7:00 am, 8:30 am and 7:30 pm. In addition, a Liturgy of the Word (with the distribution of ashes) will also be offered in the church at noon and again at 4:30 pm.

May God bless you as we enter into a new week, and may we do everything for the greater glory of God!

—Fr. Mike
We may not like it, but generosity and risk often go hand-in-hand. At least, that's what Jesus shows us in today's Gospel as a leper approaches him for healing. Until the nineteenth century, lepers were shunned to the margins of society for fear of spreading the disease. To touch a leper was to risk becoming unclean yourself. In today's Gospel, Jesus defies convention. "Moved with pity, he reached out his hand, [and] touched him." The leper is healed! But this is not the only risk Jesus takes.

Before Jesus heals the man, he knows full well the desperate nature of his situation. Jesus knows that this man will be overjoyed upon being healed and that he just might tell everyone he knows. For a Messiah looking to temporarily fly under the radar, healing this particular leper might not be the best idea. Jesus heals anyway.

It can be easy to become calculated in our giving. If I go out of my way to help this person, how will it affect my reputation? How will this charitable donation affect my budget? How could I possibly make time to volunteer regularly? In today's Gospel, Jesus casts these concerns aside. He touches the untouchable. He reaches the unreachable. For his efforts, he receives a betrayal of his request for silence. "The man went away and began to publicize the whole matter." Before long "it was impossible for Jesus to enter a town openly." Jesus is forced to remain "outside in the deserted places." It would appear, perhaps, that he is unable to accomplish his mission.

When we take a risk to be generous, things might not follow the prescribed path. We might be disappointed. We also might be surprised! Our witness to radical generosity is attractive to a world in desperate need. Indeed, when Jesus took risks for love, "People kept coming to him from everywhere."

RCIA HIGHPOINTS: RITE OF SENDING for The RITE OF ELECTION and CONTINUING CONVERSION

Those present for the 9:00 AM liturgy this Sunday will participate with the RCIA and CMI candidates and catechumens in a significant step in their conversion journey: the Rite of Sending for Election and Continuing Conversion. In this ritual, having heard the testimony of the sponsors, RCIA and CMI team members, and the Faith Community of St. Hubert, will send the candidates and catechumens to these rites.

Throughout this year these men, women, teens and children have journeyed in the St. Hubert RCIA process. Though the RCIA and CMI has instructional components, it is – at heart – not an educational program but a discernment process. Moved by an initial sense of God’s call to investigate being disciples of Jesus in the Catholic Church, the RCIA journeyers test the “fit” of Catholic teaching way of life and worship for them. They have deliberated with their sponsors and with the RCIA and CMI team. As they enter Lent, they have announced their desire to receive the Easter sacraments.

Have the catechumens and candidates seriously entered into the Catholic way of life? Have their lives evidenced conversion? Are they ready to be presented to the Bishop for election? The sponsors and team answer “Yes” and will so testify during Sunday’s Rite of Sending and Continuing Conversion.

Because the sponsors and team are delegates and agents of the Faith Community of St. Hubert, the discernment process will be complete only when the community affirms the RCIA and CMI members’ readiness.

When the catechumens and candidates celebrate the Rite of Election Sunday evening at the cathedral, they will be part of a great throng of their peers from the many parishes of the archdiocese. All of them are entering the final period of preparation for the full initiation at the Easter Vigil.

At the RCIA Kiosk please feel free to take a flyer of those in RCIA and CMI. If you wish you may want to write them a note. Please continue to pray for all of them on this journey of faith.

This Sunday's second reading gives us a great motto that we should post on our bedroom mirrors so that it's the first thing we see as our sleepy eyes awaken each morning: "Whatever you do, do it for the glory of God."

*Everything!* Brush your teeth for the glory of God. Kiss your family "Good morning!" for the glory of God. Go to Mass for the glory of God (in other words, we don't go to church just for what we can get out of it). Do your work for the glory of God. Drive politely for the glory of God. Shop and eat and greet others for the glory of God. Say yes to the needs of the Church for the glory of God.

And receive all that he wants to give you (the compliments, the money you earn, the answered prayers, the good times and rewards) all for the glory of God.

Often, we see religious activities as separate from our normal activities. We take "time out" from our schedules to go to church. We stop what we're doing when we want to pray. We think that only Clergy and Religious can be religious all of the time and that a layperson who is like that is a "fanatic". But why?

Why should we limit "for the glory of God" to only what is "holy" — Mass attendance, religious rituals, prayers, the works of ministry, etc.? We can sanctify every moment by remembering that whatever we do, we want to please God with it.

**Reflect & Discuss:**

1. What have you done already today that glorifies God?

2. What is planned for later today and how can that be offered to God?

3. What will you do to remind yourself daily to do everything for the glory of God?

4. Describe ways that we can glorify God in normal, everyday activities.

5. How do you turn mundane tasks into a gift for God?

6. When is it most difficult to glorify him?

7. How can even our lapses into sin become blessings that glorify God?

A BRIGHT FUTURE
We have been blessed with a beautiful parish campus that has served us for nearly 60 years. It’s grown and developed over the years as we’ve grown and developed as a community of faith—becoming God’s people, being God’s people, and building up God’s people.

As we look to the future, we have prayerfully created a plan that will help maintain and preserve all that we’ve built, renovated, and invested in over the years. It will also help us meet some expectations, a result of being part of the larger Church and being an important part of the Village of Hoffman Estates.

To meet these needs, we are preparing to launch a capital campaign with the goal of raising $3 million. It will focus on continuing to improve and maintain our buildings—much of which is required of us, but will also enable us to further our mission and our ministries—along with participating in the Archdiocesan To Teach Who Christ Is campaign, reducing our debt, and equipping students with technology.
In Investing in Our Faith Community

Campus Improvements | $1,560,000
A Pressing Need: Installing a School Building Sprinkling System | $1,500,000
The Village of Hoffman Estates has directed that we install a fire prevention sprinkler system in our school building, which is used for educating children—not just in the school, but those in our religious education programs and GIft program for those with special needs. While the school itself is already exceptionally safe—the single-story school was built in the 1960s with an outside door in every classroom (students can exit the building within 75 to 90 seconds in the event of a fire)—and we are neighbors with a fire house—this mandate will allow us to meet the building code required of all Village school buildings and will make our campus that much safer for everyone, including firefighters (one of the Village’s main reasons for mandating the system). Along with the continued safety enhancements, this project will also allow us to install new light fixtures to improve the facility.

Enhancing the Parish Ministry Center | $40,000
When the Parish Ministry Center was built in 1995, it greatly enhanced our parish campus. It truly is a center of activity with something happening there every single day of the year. As we have used the building for many gatherings, over time we discovered a strong need to improve the electrical system so that when we have big events, we are better equipped to handle them. Parishioners have also noted we need a better functioning front desk area to welcome parishioners as they come in for assistance.

Improving the Lower Level of the Church | $20,000
St. Hubert conducts a variety of community outreach programs, parish life events, and ministries in the lower level of our church. Next to the Parish Ministry Center, it is the most used space on the campus. However, we currently do not have a sound system. That makes it difficult to hear when large groups are gathered. We have also discovered a new electrical panel is needed for the kitchen area along with zone lighting. These two projects will provide a better environment for those serving to teach and feed others.

The Archdiocesan “To Teach Who Christ Is” Campaign | $670,000
Along with every parish in the Archdiocese, the Archdiocese has assigned us a campaign goal which will be used to invest in Archdiocesan Catholic schools and religious education programs, such as improving catechesis, maintaining academic excellence, helping economically depressed parishes with critical needs, providing scholarships, and supporting the on-going development and retention of teachers and administrators.

Reducing Our Debt | $600,000
The renovation of our church was truly a journey of faith and hope. It was also a true labor of love. We came to a solution that created an environment to enhance our prayer life, our attention and care for each other, and our mission to proclaim the Good News. To accomplish it, though, we needed to take out loans incurring a debt. Our financial experts in the parish tell us that if we work toward retiring our debt, it will improve the financial health of our parish, save interest costs, and will allow us to have the flexibility to address the immediate unexpected needs that often arise in the parish.

Keeping Current with School Technology | $20,000
Founded in 1961, St. Hubert Catholic School has been noted for our strong educational program. We have been recognized by the U.S. Department of Education as a National Blue Ribbon School of Excellence. As we work to transform and enhance the way students learn and communicate, and to keep our school vibrant, our goal is to provide access to digital content and tools via a 1:1 computer device program. This will equip every student with what they need to learn and develop important skills to do their best in high school, college and beyond.
As we begin to look toward Lent, our Liturgical Planning Team has developed a meaningful program of spiritual offerings that will lead us into this season of prayer, fasting and almsgiving.

This 40-day journey, which we will soon begin, is meant to open our hearts—and even change them. As much as we do so much of this work individually with Jesus Christ by our side, we also need the community around us. The Body of Christ is the Church, and the strength we need to keep us going can often be found in the witness of those who walk with us on the same path.

The community events on the opposite page are opportunities to share the journey with our brothers and sisters in Christ, as we bring our individual lives to the One who can truly open our hearts. In addition to our community gatherings, here are some other suggestions for moving Lent from an external event to an internal experience.

**Our Lenten Symbol: A New Heart**  
*Something to hold onto!*

Lent can be a time for a real change of heart so that all the external things we do—like prayer, fasting and almsgiving—reflect the growth and activity that’s taking place within.

Beginning Ash Wednesday, please pick up a small heart (made of wood) that you can carry with you as we go through Lent.

Feel free to write a word or phrase on the heart—or even draw a picture or symbol—that can help anchor you to the commitment you’d like to make as we head to Easter and new life.

For example, let’s say you’re trying to grow in the virtue of patience. Write the word “patience” on your heart as a reminder and commitment. Then, during those moments you feel you need patience, or feel you didn’t show it when it was needed, grasp the heart as a reminder of where you’d like to be.

Whatever the word is, or even if there are no words or pictures at all, hold onto the heart. It’s a reminder that God is the one who centers us, helps us change, and is always with us.

**Operation Rice Bowl: A Way to Give Alms**

Join our parish community once again in Catholic Relief Services’ Operation Rice Bowl. As we head through Lent, add your coins to the bowl as a way to reach out to people in third world countries who are being empowered to improve their lives in the midst of very difficult struggles. Something as simple as $1 a day for 40 days can provide a farmer with 2 years of seed to help make a living. You’ll find rice bowls in the narthex of the church.

**Daily Reflections for Lent: A Prayer Companion**

At the doors of the church, please find our Lenten prayer companion for 2018: *Not by Bread Alone*. These daily reflections—based on each day’s scripture readings—can be a source of inspiration and a catalyst for prayer.

**Joint Parish Mission: March 4, 5 & 6 at St. Marcelline Parish (7 pm)**

This year’s mission is called “Facing Mercy” presented by Deacon Ryan Adorjan. Journey through Salvation History, Experience the Sacrament of Reconciliation, and be inspired to live a new life in Christ. More to follow.

A parishioner, Patrick Fleming, has offered to repair broken rosaries. There will be drop off receptacles at the ministry station in the narthex, and rosaries can be dropped off there. (The Ministry Station is the large brown cabinet by the main entrance on the South side of the church. There are slots on the left side of the station, and the receptacle for Rosary drop off is marked.) Patrick suggests putting any rosary to be repaired in an envelope with your name and phone number on it for return purposes. When repaired, we will call you to let you know you can pick it up.

Please donate any unused, broken rosaries so that their parts can be used to repair member’s rosaries.

In addition to repairing rosaries, Patrick makes rosaries for the missions, and he also accepts any rosaries people wish to donate. Those can also be dropped off in the narthex in the receptacle marked “Rosaries”.

TEENS AND DIGITAL DATING ABUSE

Digital dating abuse is the use of technologies such as texting and social networking to bully, harass, stalk or intimidate a partner. Often this behavior is a form of verbal or emotional abuse perpetrated online. In a healthy relationship, all communication is respectful whether in person, online or by phone. It is never okay for someone to do or say anything that makes you feel bad, lowers your self-esteem or manipulates you. You may be experiencing digital abuse if your partner:

- Tells you who you can or can’t be friends with on Facebook and other sites.
- Sends you negative, insulting or even threatening emails.
- Uses sites like Facebook, Twitter, foursquare and others to keep constant tabs on you.
- Puts you down in their status updates.
- Sends you unwanted, explicit pictures and/or demands you send some in return.
- Pressures you to send explicit video or sexts.
- Steals or insists on being given your passwords.
- Constantly texts you and makes you feel like you can’t be separated from your phone for fear that you will be punished.
- Looks through your phone frequently. Checks up on your pictures, texts and outgoing calls.
- Tags you unkindly in pictures on Instagram, Tumblr, etc.
- Uses any kind of technology (such as spyware or GPS in a car or on a phone) to monitor you.

You never deserve to be mistreated, online or off. If you’re experiencing digital dating abuse, we encourage you to talk with a parent, teacher, clergy or other adult who can help you make good decisions on how to handle your situation.

If you or someone you know is being abused, seek help today. In an emergency, please call: Illinois Statewide Domestic Violence Helpline 877-TO END DV (877-863-6338), 877-863-6339 TTY or call WINGS 24-hour hotline 847-221-5680.

**SACRAMENTAL LIFE**

Call the Parish Office 847-885-7700 for further questions or to make arrangements.

**BAPTISMS**

To register for Baptism, stop in or call the Parish Office. Parents must attend a Baptismal Preparation Meeting, which is held on the last Tuesday of each month at 7:30 PM. You may attend this parent meeting either before or after the baby is born.

Baptisms take place on the 2nd and 4th Sundays of the month at 1:30 PM or at Mass by arrangement. You will confirm the date for Baptism by attending the Baptism Preparation Meeting.

**MARRIAGES**

Please do not reserve your banquet hall before confirming the date with the church. Set your date by calling the Parish Office as early as possible as you plan your wedding—at least 6 months before the wedding. Weddings take place on Saturdays at 2:00 PM. Weekdays and Sundays must be arranged individually.

**RECONCILIATION**

Saturday after 4:30 PM Mass, or by appointment.

**EUCHARIST FOR THE SICK AND HOMEBOUND**

If there is anyone who would like to receive Eucharist at home, or if you know a friend, neighbor or family member who is homebound and would like a home visit to receive Eucharist, please call the Parish Ministry Center. One of our dedicated ministers will be glad to fulfill these requests.

**SACRAMENT OF THE SICK**
