

St Joseph Parish Women's Guild

Our Guild

The St. Joseph Women's Guild welcomes and includes ALL parish women, in its membership. Therefore all women are invited to join in our social events, fundraising activities, outreach projects and Circle groups described in our directory and website. Attending Women's Guild socials is a great way to meet other parish women and learn about all the Guild's activities.

Mission Statement

The mission of Women's Guild is to build fellowship and community among the women of our parish through spiritual, social, and charitable activities.

Our Goals

The Goal of the Guild is to keep the women of the parish informed of spiritual, social and service activities. The Guild will also provide a network so individuals can easily connect with other women who share their personal interests, passions, and talents. These connections can be made through on-going specific interest groups that are called Circles. The Circles may be focused on the spiritual, social or service needs of the women of the parish and will evolve as our parish and Guild evolves.

Our Circles

The various Circles of the Women's Guild are smaller groups of women with common interests and missions. A description of each circle can be found in the Women's Guild Directory as well as on the St Joseph web page.
