Old Business;

2018 was a very busy year. Lots of good things were accomplished.

Fr Brian is all moved into rectory and enjoying his new home. Good to have him close by.

Youths trial run of fish fry went very well. They will do fish fry on Fridays during lent. Let's give them our full support.

Checking on devises for hearing impaired, Parish will take it on.

Parish financial report is being fine tuned to show parish monies. At the moment parish is debt free. 😊

Starting to do some work on parish plant. Some painting and general clean up is going on.

Jeannies bonus was approved, Fr will take care of this.
