

Hello Newman Families!

This is Jennifer from Epiphany Parish Faith Formation department reaching out to let you know of an awesome opportunity for Advent (and beyond)! Epiphany Parish has a subscription to Catholic Brain-an on-line resource for K-12 catholic families. We are currently using it for our Religious Ed program and want to offer it to you! We have been so impressed with this program's great content and abundance of resources and now they have added Advent materials! To have this resource at your fingertips to use anytime, anywhere will give your family the opportunity to grow in the understanding and knowledge of our rich Catholic Faith! Below you will find the directions to access the materials:

Go to CatholicBrain.com

At the upper right of the page click on the orange **"ENTER CODE"** box
