# Satisfied with Communication Regarding Auxiliaries / Electives

---

# Additional Feedback

---

Want more interaction between teacher and remote learners

Want availability of more auxiliaries

Difficult to adapt to changing schedules

Like that not all auxiliaries are required to decrease screen time

Need more feedback from teachers on when it is okay to sign off

Would like assignments posted sooner

Confusion of auxiliary schedules

Grateful for teachers making real effort to interact with kids

# Additional Feedback (continued)

---

Inconsistency in connection between different grade levels

Need teacher flexibility

Access difficult at first but greatly improved

Would like online students able to answer more questions in class and check for understanding

Grateful for teacher flexibility - student able to attend and do work all on her own

Made improvement since day 1, grateful for continual growth
