

Dear Friend:

We invite you to become a St. Anthony of Padua Catholic School Community Partner for the 2021-2022 school year. Your partnership means more now than ever before!

St. Anthony of Padua Catholic School is a thriving Catholic School located in The Woodlands, TX and serves over 400 students in Pre-K3 through 8th grade. Our school is extremely grateful for the support and engagement of our local community members and businesses. We recognize that as a school we are educating and preparing our students to be active members and respected leaders of future business, church, and social endeavors. To support this mission, we draw on a combination of tuition as well as donations and fundraising activities to meet our budget each year. Our fundraising events each year are generously supported through donations by our families and the greater community.

Our Community Partner program consists of an annual commitment, which runs for the length of the 2021-2022 school year. **As a community partner, you will receive invaluable visibility within our school community throughout the year.** We encourage you to read through the attached details of the levels of commitment available and the benefits you will receive as a partner.

Please email me directly at advancement@staopcs.org with any questions. Thank you in advance for your consideration and contribution! Your commitment will have an immediate and positive impact on the education of our students.

Sincerely,

A handwritten signature in black ink that reads 'Katie Tressel'.
