MEDIA RELEASE INFORMATION

The High School Youth Ministry and Confirmation programs and the Children's Faith Formation program may take photos and videos of your child(ren) during our classes, activities and events. We are doing so with only the intention of sharing the good things your children are involved in at the church and promoting the ministries they are involved in. In addition, the **Confirmation/Youth Group programs** are asking permission to communicate with your teen directly through texting, email, Instagram and other social media. We have found that this is the most effective way to communicate with teens and extend our efforts to bring them closer to Christ. Please do not hesitate to contact us if you have any questions regarding this.

Please note that by opting out your child will not be included in group pictures such as the First Communion or Confirmation group photo.
